I was standing out infront of the Albertsons in lakestevens WA Bellringing for the salvation army. I was watching the Parking lot & all of a sudden a big blue truck took a left into the lane infront of the store as a Albertsons employee was comming out into the same lane I thought the truck was going to stop but he dident he ran over the lady & dident slow down she crumpled under the middle of the truck but due to the fact he was turning she got caught under the front Axel after about 4 feet of going forward he stopped by then I was running out to him to stop as I got about 5ft from the truck I saw that the Man driving had put his truck in reverse I got to the window and yelled for him to stop & informed him he had ran over a person he put the truck & hopped out he seemed very concerned & disheuted At that time the lady was screaming for help & I called 911
