NARRATIVE

On 01/14/2015 at about 1502 hours (all times approximate) I was radio dispatched to a 2 vehicle non-injury collision in the 1100 block of 91st Ave SE in the city of Lake Stevens. At the time of the collision this location is a school zone with a posted speed limit of 20mph and having flashing yellow school zone lights activated.
Arriving on scene I noticed vehicle parts debris on 91st Ave SE at the driveway entrance/exit to Skyline Elementary School. I contacted both drivers involved and the teen passengers of U1.
Upo my arrival at the scene both drivers had moved their vehicles from the collision scene to the school driveway so as not to block school vehicle traffic which was heavy at the time.
Based on evidence and statements at the scene it is found that U2 was making a left turn off of southbound 91st Ave SE into the school property driveway when U1 rear ended U2 while U1 was also traveling southbound on 91st Ave SE.
The driver of U2 stated she had stopped in the southbound lane of travel on 91st Ave, with her left turn signal activated, waiting for northbound traffic on 91st Ave SE to clear before making a left turn into the school property driveway. The driver of U2 stated after northbound vehicle traffic had cleared, she began to make her left turn and was rear ended by U1.
The driver of U1 stated when he "looked up" he seen U2 quickly stop without a turn signal and he was unable to stop, skidding a short distance, before striking the back of U2. The driver of U1 stated he was going about 25-27mph.
Two passengers in U1 completed written statements stating U2 quickly stopped and did not use a turn signal.
The driver of U2 stated she comes to this school three times a week, making the same turn all the time, to pickup a child.
The driver of U2 also stated a passenger in U1 initially stated the driver of U1 "had been releasing a call" at the time of the collision and then back tracked her statement by saying "she didn't know".
When I asked the driver of U1 about his statement of "looking up" to see the vehicle stopped in front him, he claimed he was looking around for children since he was in a school zone and when he looked forward is when he noticed the vehicle stopped in front of him.
At the time of the collision it was found the driver of U1 has an intermediate driver's license restriction of up to three passengers as allowed by law. At the time of the collision the driver of U1 had 4 passengers in his vehicle; a violation of his intermediate driver's license. The drive of U1 claimed he was not aware of his license restriction. The driver of U1 was cited for this infraction at the scene.
Both vehicles were driven from the scene.
I obtained written statements from both drivers and from two of the passengers in U1. I took several digital images of the vehicle damage.
One passenger in U1 was holding his right shoulder (a sign of being sore from the seatbelt) and stated he was not injured and declined medical assistance.
At about 1550 hours I cleared the incident.

I was rear ended today while turning from a stop and turning left into Skyline elementary school parking lot. There is damage to the rear bumper where I was hit. I had four children in the car with me at the time of the collision.

I make this particular drive and turn 3 days a week. After the accident, the driver initially said that he did not see my blinker. While he was moving his car out of the way, one of the rear passengers from his vehicle, who were walking to follow him, said that he had been releasing a call. and then backtracked and then said she didn't know.

Me and My 2 friends were driving down 91st street and while we were passing LSMS a car slammed on there brakes. As soon as I saw her I slammed on my brakes and slid into the back left side of her car. I never saw a blinker or anything so I had no clue that she was turning

We were driving from school on 91st all of a sudden the car infront of us starts to stop super fast so dylan hit on the breaks; unfortunatly as soon as we slamed on the breaks we slide right into the car infront. We didnt understand why she stoped, we didnt kna she was turning since her blinker wasnt on

The court may allow time payments or reduce the penalty where allowed by law.

☐ Contested Hearing. I want to contest (challenge) this infraction. I did not commit the infraction. Please send me a court date, and I promise to appear on that date. The state must prove by a preponderance of the evidence that I committed the infraction. I know I can require (subpoena) witnesses, including the officer who wrote the ticket to attend the hearing. The court will tell me how to request a witness's appearance. I understand this will go on my driving record if I lose and "traffic" is checked.

NOTICE: You may be able to enter into a payment plan with the court under RCW 46.63.110.
