NARRATIVE

On 08/29/2013 at about 0048 hours (all times approximate) I was radio dispatched to a single vehicle collision in the 11500 block of North Lakeshore Drive in the city of Lake Stevens. It should be noted just prior to being dispatched to this collision I had been advised by a passing citizen of two vehicles racing westbound on North Lakeshore Drive from the 12400 block.
Arriving at the scene I obseved a single Toyota pickup off the roadway and into a telephone pole. I also noted damage to the nearby guardrail ad planter area; damage caused by the Toyota pickup.
The teen male driver claimed no injury and claimed to have been by himself at the time of the collision. The driver claimed he had been traveling about "29 mph" and that he had accelerated through the curve and since his truck has "alot of power" the tires broke lose and the truck spun out.
Based on evidence and the driver' statements, it is found the driver had been traveling westbound in the 11500 block of North Lakeshore Drive, a 25 mph posted speed zone, and that the driver entered the right curve in the roadway at a speed too fast for conditions which caused the vehicle to lose traction and leave the roadway. When the vehicle left the roadway it initially struck the end portion of the guardrail and then collided into a telephone pole with the passenger rear portion of the pickup; breaking the tire and axle of the pickup. The vehicle came to final arrest on the telephone pole guide wires, planter strip and large boulders.
Based on my training and experience as a police officer for over 13 years and being a collision technical investigator I find that the pickup had to have been traveling at a speed much greater then 29 mph to have caused so much damage.
It should be noted a PUD truck arrived on scene and the driver stated there was no PUD damage.
The guardrail damage shall be reported to the city of Lake Stevens.
The vehicle had to be towed from the scene due to the extensive damage caused as a result of the collision. Top Notch Towing was selected from the police rotational list at the owner's request.
I cited the driver for speed too fast for conditions. I explained the infraction to the driver and gave the driver his copy of the infraction.
