While driving up the hill, we saw a stopped line of traffic ahead and Brian brought the car to a stop. As traffic began moving again, so did we. Then the car ahead stopped short and we collided. Air bags went off and the car got smoky, Brian told me to get out and check on the other driver. I forced my door open and did so. She was sitting up tall trying not to move her neck and talking on the phone. When I asked if she had already called 911 she indicated yes ~~and was~~ but was otherwise kind of unresponsive, so Brian and I ~~waited~~ waited over by our car until police/fire arrived.
