I was riding my bike Northbound on Centenial Trail when a small white pickup passed by me at a high rate of speed approx. 1 minute later I saw the pickup rolled over on the trail. 2- white males were in the truck. I had gotten out and was walking north on the trail. The other person took approx 5 min to get out of the truck and took off north on ~~Grade~~ Hartford road.

After visiting AJ Wyeth, Quade saleh and I decided to leave, as I was unable to drive at the time AJ Wyeth said I got into the passenger seat of my truck and fell asleep. Quade Saleh was getting very mad that I wasn't going to drive and didnt wake up. Quade started yelling and screaming at me, and thats when AJ said that Quade got into my truck and drove off at a high rate of speed. AJ also said he was driving very reetlessly. The next thing I recall is I wake up 30 feet from my truck and quade is gone. After the accident Quade called AJ asking him to pick him up down the street and AJ said he wouldn't be a part of it, and told him no. Quade then called Jeff Ebner, he picked Quade up and took him to my parents house. Quade could not give directions to the accident scene, but told my dad to follow him and he would show him. When they got close Quade pointed down the

We left the party. Shawn was driving, we went to AJ Wyeth's house to drop off money. Then to the Mini Mart to buy cigarettes. The lady working remarked at the fact that Shawn didn't look like he should be driving. We left and once we got to the road of the crash I was sleepy. The car began to go off the road, I looked at Shawn. He was slumped over I yelled his name and grabed the wheel. The truck was headed toward a sign, I don't recall hitting it but according to Sgt. Brooks it was. The truck went out of control and flipped. I wasn't wearing a seatbelt and was knocked unconcious. Woke up and Shawn was gone. There was dubree everywhere. I crawled out and called for Shawn but there was no answer. I panicked and ran to Tanner Hannson's house. He then gave me a ride to Shawn's parent's house. I told them what happened and gave them Tanner's number to call. I went home soon after and fell asleep, and today I contacted Sgt. Brooks to come clarify. The heroin was not mine, nor was I driving. Although I requested to many times in fear of an accident or getting pulled over, Shawn refused to move out of driver's seat.
