We were sitting at a red light I was taking a drink of my gatorade, and out of the corner of my eye I saw in the passenger mirror a white car and the next thing I knew we were rear ended. I spilled hot coffee all over my lap and the gatorade bottle I was drinking from was smashed into my face giving me a bloody nose

I was driving along Wa 204 and the light was green. I noticed a line of cars, but it looked like they were moving close to my pace. I looked down at my clock to check the time, looked up, and was smashed into a white work truck.
