I was sitting at Red Light on E corner of Hwy 9 + 204 when I was hit from behind the woman who hit me seemed to me under the influence of drugs or alcohol so I had a passerby call the police. The police came and remedied the situation. The bumper was damaged + was new.

I tried to be cordial and trade information and he was verbally abusive and extremeley rude. He told me he was done talking to me, and I needed to just shut up or he would shut me up. He kept starting to say abusive things and would turn away, when I asked him to repeat, he just kept saying I'm done talking to you.
