My wife was driving North on 101 ave NE. We passed friends drive way by 5ft. We stopped completely. My wife put vehicle in reverse after looking in rearview. Let foot off brake and proceeded to back less than 5 ft. and collided with car behind us. We pulled out of street and switched info. The person in other car continued to become irate. His wife got out and took pictures bending over & walking and said she was fine. Proceeded to tell husband we will not be screwed this time as if this happens alot. The people left scene and returned hour or so later complaining of neck pain.
