NARRATIVE

Unit #2 ALDERSON was traveling westbound on Frontage Road approaching the Hwy 9 intersection when the light changed from green to yellow. Unit #2 stopped instead of proceeding through the intersection.

Uint #1 KIHM was also traveling westbound on Frontage Road, behind Unit #2, approaching the Hwy 9 intersection. She saw the light change to yellow and thought Unit #2 was going to "...go for it..."

She accelerated and rear-ended Unit #2.

I just got a stick shift 1995 VW Golf a week or two ago, so I'm still learning how to drive it. Rain had started to pour so I was a little scared and unconfident in my driving skills, but I had to pick up my little sister from math camp. At the intersection out of Safeway, I put my brakes on because the light had just turned yellow. Then a red nissan rear-ended me around noon. I pulled over into the Burger king and gas station parking lot, with the red nissan and a silver car behind us as a witness. I got out of my car and hugged an older blond lady, who was the witness, but I didn't catch her name. The lady who rear-ended me took pictures of my insurance card, licence plate, the damage, and my license. I, in turn, took pictures of her car damage and her license plate. She told me her insurance was the same as mine. She then told me ~~she~~ her insurance would contact mine, State farm, and asked me if I was going to "claim fault", but I didn't say anything (didn't knew how to answer). Then she left, drove away.
