We were approaching the stoplight heading SW on Hwy 204 at the intersection near the Haggen grocery store. As we came to a stop, we were hit at speed from behind and pushed into the intersection - we were the first car at the stop light. We proceeded through the intersection to avoid cross traffic and pulled to the side of the road. The car that hit us continued to drive on the Highway past us and appeared she was going to continue driving. I pulled back onto the road to follow the car and she ultimately pulled over a few hundred yards further down the highway. The driver indicated she didn't have insurance or a valid driver's license because she has seizures. She appeared very nervous/shaken and was physically quivering/shaking. I advised her to sit back down in her car and relax while we called the police and insurance company.
