NARRATIVE

On 11/18/2015 at approximately 2044 hours I, Officer Shein (#136) of the Lake Stevens Police Department wearing full duty uniform with patches and a badge responded to a one-vehicle collision at the intersection of SR-92 & 99th Ave NE Lake Stevens, WA. When I arrived, saw a 2014 Grey Kia Soul (AOA5262) standing on the shoulder approximately 50 yards away from the roundabout located on SR-92 & 99th Ave NE.

I quickly approached the vehicle and saw a driver - later identified by her WA State driver's license as Karen E. Ferguson (FERGUKE494A) in the driver's seat. She appeared very emotional, was crying, shaking, and generally speaking in confusing terms. I noticed that her right ring finger was bleeding. She had a bruise below her clavicle that indicated she was wearing her seat belt. Karen denied wanting to go to a hospital. I requested medical aid. Medical aid personnel arrived and performed a check on location, verified with Karen that she did not want to go to the hospital, asked her to sign the waiver and left.

Damage to vehicle is as follows: driver's front steering wheel airbag was deployed. Driver's side front door window was shattered. Front bumper was damaged. The front license plate bracket and all support mounts were missing - later located next to the roundabout approximately 50 yards away from the vehicle. The front passenger-side wheel, suspension, and body of vehicle sustained significant damage. Suspension was bent, rendering vehicle not drivable. The passenger-side front wheel was bent, and tire was ripped off the wheel. The passenger-side front fender was bent. Passenger-side front door was very difficult to open due to the bent front fender.

I checked Karen's path and direction of travel and noticed that one "One Way" roundabout sign with an arrow on it was completely knocked over approximately 50 yards behind Karen's location. Next to the knocked-over sign was her front license plate, brackets and other various parts of her front bumper. Karen entered the intersection, ran over the roundabout and knocked down the sign.
