=====
The minutes of November 14 were unavailable.

Art in Public Places:

We will switch out the art from the Library, City Hall and The Police Station at the end of the month.

There was a question of the rotation to go only one month.

Music on the Lake:

We will table setting up Summer 2013's schedule until after the first of the year. The commission's goal is to have the bands scheduled earlier than this last year (2012).

We will start getting the paper work set up for the Army Band after the first of the year.

Chalk it Up:

Nothing new to report.

Scholarships:

This has been tabled until the January Meeting.

Membership:

It was discussed to invite Lake Stevens High School students to participate on the Commission.

This membership would be for one year and could be put toward the community service hours that are required for graduation.

The Commission by-laws state only that the member "resides or owns property within the City or the City's Urban Growth Area". (2.29.020 Membership / Appointment / Compensation).

An age requirement was not mentioned.

Commissioner Forbis will approach the Lake Stevens School Board and start on the research of the feasibility of this proposal.

Guest Artist:

The Commission reviewed the works of the Guest Artist Lejeune Patrick for possible display next year in the art rotation in public places.

Meeting adjourned: 7:23 pm

Next meeting: January 9, 2013, 6:30 pm, Community Center, 1808 Main Street, Lake Stevens

Respectfully submitted by Commissioner Forbis
