Car in front of us slowed & I did too. I looked up in rear view & saw white truck heading our way & quick & I was stopped fully so I couldn't move out of his way. I told my daughter to hold on cause I knew we were about to be hit hard & then he hit. I put car in park & got out & grabbed my daughter & saw her bleeding. Hes lip was busted from her DVD player coming loose & hitting her. Then I drove the car over to the side of the road. Waited for police. Nice lady called 911 for us as she saw it all but left.

I was heading east on 20th approaching 79th Ave SE. I could see the line of cars in front of me were slowing to a stop on the other side of the intersection. The car behind me appeared to be coming to fast so I began pumping my brakes to alert them. I came through intersection and stopped. I then watched the car stop behind me. And then saw the top of white box truck come flying (not literally) over hill & slam into car behind me, pushing me forward into car in front of me, and that car into the car in front of it.
