Around 1:10 pm on Jan 18, 2014 I was waiting to make a left from 20th st onto Lake Stevens Rd and saw a white two door car make a left turn in front of a blue Ford SUV. The white car had a flashing yellow left turn signal so the blue car had right of way. The blue car driver corner hit the passenger front on the white car. I noted a male caucasian driver for the white car ~~and~~ with a female passenger. The blue car had an elderly male, a woman and a dog. I did not note who was driving as I was parking my vehicle.

On 1-18-14 I was driving ~~Eastbou~~ Westbound on 20th Ave in LK Stevens ~~in the~~ I was going about 30 mph on my way to Everett. ~~As I en~~ I had a green light so I proceeded thru the intersection (right in front) of Tom Thumb. I was in the middle of the intersection going straight when a small white vehicle who was ~~on~~ going eastbound on 20th in the left turn lane pulled out right in front of me. All I could do was slam on my brakes and turn ~~toward~~ away from getting hit. Because the white car had tried to beat me by pulling out right in front of me at the very last second the white car slammed into the front left drivers side of my car.
