=====

**Minutes:**

The minutes of November 12, 2014 had two corrections: Lance Carlson’s agent is Karla Matzke. Jesse Purdom is the sculptor from Snohomish. The minutes of November 12, 2014 were approved as corrected.

**Guest Business/Round-About Art:**

Mr. Lance Carlson of Lake Stevens brought his sculpture portfolio to show the Arts Commission examples of his work. He uses found and recycled steel in his pieces. Many of the sculptures move and make noise. We are considering one of his pieces titled “*Above and Below*”, depicting a sailboat and things that could be beneath the water.

Councilman Welch informed the Arts Commission that the State of Washington has ceded the care of the round-abouts on Highway 9 to the City of Lake Stevens without any funds to support the installation of artwork in either location. The Arts Commission was also informed that the City of Lake Stevens has started a savings fund so that funds for the Highway 9 round-abouts would be available at a future date. Commissioner Hunt will ask Jesse Purdom of Snohomish to bring his portfolio to the next Arts Commission Meeting.

**General Business:**

It was moved and seconded to cancel the Arts Commission Meeting on December 24, 2014 due to the holidays. Motion Passed.

Commissioner Tietze is preparing a press release to invite the public for their input on the round-about art. There was brief discussion of what to add and what to edit in the release. It was at this time that Commissioner Reimers tendered his resignation to the Arts Commission citing scheduling conflicts. We will miss Commissioner Reimers and hope that he will visit us as his schedule allows.

**Meeting Adjourned:** 7:50 p.m.

**Next Meeting:** January 14, 2015, 6:30 p.m., Community Center, 1808 Main Street, Lake Stevens

Respectfully Submitted by Commissioner Forbis
