STATEMENT:

I was driving on highway 9 around 6:00 heading to work when 5-10 car lengths ahead the Dakota truck was slowing down so I started slowing down then he slammed on his brakes and slid to the right I also slammed on my ~~breaks~~ brakes and my brakes locked up and I rear ended his back left ~~of~~ bumber. I then pulled off to the side of the road a head of him and called 911. A minute or so later another car came flying up and did not slow down and smacked into him on the rear right side area, Stuff flew every where and the car that hit him went into the ditch and then officers showed up.
