Initial Case Report

Case Report # **2016-00020509**

NARRATIVE

On October 14th, 2016, I, Officer B. Fiske #138, was on uniformed patrol as a commissioned law enforcement officer with the Lake Stevens Police Department. I was operating a fully marked patrol car equipped with lights and siren.

At 1404 hours, I was dispatched to a collision that occurred at the intersection of State Route 9 SE and Market Pl. The reporting party of the collision, Steven Noriega, stated one of the vehicles was leaving the scene of the collision northbound on State Route 9. He gave the license plate of ATC1647. Noriega said the collision involved three vehicles and one of the vehicles stayed at the scene of the collision.

Officer Shein and I caught up to the reporting party and the vehicle that left the scene near the 8700 block of 64th St NE and made a traffic stop on the vehicles. Officer Shein contacted the Chevrolet Suburban bearing WA plate ATC1647 while I contacted the reporting party.

I asked Noriega what happened, and he stated he was at the intersection of State Route 9 SE and Market Pl going northbound, when the Suburban struck him from behind. He said he got out and noticed the Suburban had been rear ended which pushed it into his vehicle. Noriega said he thought the Suburban was going to pull over but it kept going northbound so he followed it until we arrived. As I spoke with Noriega, Officer Shein followed the Suburban to the driver's residence at 7903 58th Pl NE in Marysville. I collected Noriegas information and then went to Officer Sheins location. While enroute dispatch advised that Jonathan Wilson, who Officer Shein identified as the driver of the Suburban had a warrant for DWLS 3rd and a warrant for DUI. His license was also DWLS 3rd.

At the house, Officer Shein advised Jonathan had two of his children in the vehicle, Roman and Brooklyn Wilson. They were inside the residence with their grandmother Lea Wilson. I requested the fire department respond to evaluate the children. I had dispatch confirm the warrants on Jonathan and Officer Shein took him into custody.

Officer Heinemann contacted the driver of a Ford Escape with WA license 210-ZPB while I was at the residence. He identified the driver as Krista Heinz and obtained her information, including her insurance information. It was determined her vehicle was the vehicle that rear ended Jonathan's vehicle.

Marysville Fire Department responded to check on the juveniles and determined they did not need to be transported to the hospital. Officer Shein transported Jonathan to Lake Stevens where he met Officer Wells, who transported Jonathan to the Snohomish County Jail where he was booked for the warrants.

Case is closed. Refer to Sector collision report for more information.

Case Supplement Report

Case Report # **2016-00020509**

NARRATIVE

On 10/14/2016 at approximately 1402 hours I, Officer Shein (SS0136) of the Lake Stevens Police Department was on routine patrol in a fully marked patrol vehicle equipped with lights and sirens wearing full duty uniform with shoulder patches and a badge.

I responded to a report of a collision in the area of SR 204 & SR 9 along with Officer Fiske. We received further updates from dispatch that one of the vehicles involved sped away and was being followed. Dispatch advised that an offending vehicle has a license plate ATC1647 - a white Chevrolet Suburban.

We responded to the area but did not locate any vehicles with damage. We continued to respond northbound on SR 9, and received further information from dispatch that the Suburban was being followed, where it turned left on 64th St N.E., Marysville. We continued further and spotted the Suburban, along with a white Subaru Outback in the 7900-block of 64th St N.E., Marysville, WA.

We initiated a traffic stop and both vehicles pulled over. I approached the driver of the Chevrolet Suburban, later identified by his WA State ID Card as Johnathan R. Wilson DOB: 09/19/1985. Before I could say much, Johnathan replied that he was driving away because the driver of the Subaru Outback was screaming at him where the collision occurred. He also mentioned that he got rear-ended and did not collide with any other vehicles.

I looked behind the Suburban and noticed plastic and clear glass car parts on the back of the bumper. Johnathan asked to drive just around the block so that he could drop off his children and continue with the collision investigation. I noticed two children, a small toddler female and a child boy in the back of the Suburban in child restraint seats. I followed him to 7903 58th St N.E., Marysville, WA.

After further investigation, it was determined that Johnathan's Suburban was rear-ended and the force caused the Suburban to slide forward and rear-end the Subaru Outback. I let Johnathan know that the collision is not his fault and that he should have stayed at the site of the collision to exchange insurance information.

After Officer Fiske left the first location of initial contact, he arrived to my location. We were notified by dispatch that Johnathan had multiple warrants for his arrest. I arrested Johnathan for his warrant, while Officer Fiske stayed at the residence so that an Aid Unit could check on the children. I transported Johnathan to the intersection of Soper Hill Rd & SR 9, where Officer Wells of the Lake Stevens Department took over the transport duty.

Case Report # **2016-00020509**

NARRATIVE

On 10/14/16 at approximately 1403 I, C. Wells #131, was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

Multiple Lake Stevens police units responded to a three (3) car collision at Hwy 9 and Market Place with two of the involved vehicles fleeing the scene.

WILSON was driver of the middle involved vehicle in the collision and was contacted at his residence. A routine computer check revealed WILSON had two outstanding misdemeanor warrants for his arrest - DUI and DWLS/R 3rd. Both warrants were confirmed and he was taken into custody without incident.

I read WILSON his Miranda rights from my department issued Miranda warnings card. He stated he understood his rights and was willing to talk.

WILSON was transported to the hospital and received a clearance to book. He was then transported and booked into the Snohomish County Jail without incident.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct. I am entering my authorized user ID and password to authenticate it.
