Henning (I) was just getting out of my home street when a woman drove around the corner of 87 Ave NE + 26th PL NE. She drove into my lane and hit the corner of my Toyota 4 Runner. Her Honda had my white paint on her bumper. She said "sorry, it's my fault, I was looking for mail in my purse..." She did not have her insurance info, so she said she will go and get it. She said she lived in the same complex (Crosswater) She has yet to return... I called 911 to get some assisstance. We were going fairly slow, but there is some damage to both vehicles. I did beep my horn before we connected and saw her looking down as she came closer + closer. I had already stopped by the time she connected.
