Public Hearing:

Final Plat Authority and Approve Ordinance 1023: Mayor Spencer opened the public hearing.

Senior Planner Josh Machen presented the staff report and reviewed that this ordinance is brought forward for consideration in accordance with Senate Bill 5674, which provides that approval authority for final plats for short and long subdivisions may be delegated to administrative personnel through legislative action, which will streamline the final plat review

process. Planner Machen explained that by the time a final plat is ready to be approved it has been reviewed by staff, and the Hearing Examiner has granted approval. No new public comment can be taken at this point because the decision can only be based on the Hearing Examiner's record which consists of the materials provided to the Hearing Examiner and public comments. The Planning Commission held a public hearing on this matter and recommends approval of this ordinance. Planner Machen then responded to Councilmembers' questions.

Mayor Spencer invited public comment.

Sally Jo Sebring, 1023 – 99th Avenue SE, Lake Stevens, does not see that final plat approval is a closed record hearing and does not support this action.

Andrea Wright, 10815 29th Street NE, Lake Stevens, does not support streamlining the final plat process.

Michael Fear, 829 9th Avenue SE, Lake Stevens, supports Council keeping the final plat authority.

Richard Todd, Lake Stevens, requested Councilmembers look into the final plat approval process before voting; he opposes this action.

Mayor Spencer closed the public comment portion of the hearing.

Council discussion ensued. Councilmember Gailey was concerned that by transferring approval of final plat authority to staff, the public would lose an opportunity for public comment.

Director Wright reviewed the opportunities for the public to engage in the process and comment on a plat project and noted that comments challenging earlier decisions in the plat review process, including before the Hearing Examiner, cannot be challenged at the time of final plat approval. At the time the plat moves into the construction phase, technical reviews take place including by staff and peer review, depending on staffing levels and the situation. These reviews ensure consistency with the approved construction plans, and that conditions of approval set out by the Hearing Examiner have been met. If the plat does not meet those conditions, it would not be brought forward for final plat approval by Council.

Responding to Councilmember Daughtry's question, Director Wright said that under the RCW's, following the Hearing Examiner's decision, there is a ten-day window to request reconsideration, followed by a fourteen-day period in which to appeal the decision to Superior Court.

Responding to Councilmember Hilt's question, Planner Machen explained that Snohomish County retained public noticing for comments with administrative approval of final plats.

Director Wright clarified that the Nourse development is an entirely unique land use action with a development agreement and a mitigation agreement. This is legislative. A subdivision is a quasi-judicial process which is different.

Responding to Councilmember McDaniel's question, Attorney Weed explained that the only thing before the Council on a final plat approval is to review that the Hearing Examiner's conditions are met. The Hearing Examiner decision is not appealable after the time for reconsideration and appeal have run. If the City does not act within the 30-day timeframe once

the project is ready for final plat approval, the plat is approved without Council action; this opens the City up to possible litigation because without formal approval the lots are not saleable.

Planner Machen said in response to Councilmember Tageant's question, that the best time for public involvement is early in the process. He noted that final plat approval is not a political decision.

Mayor Spencer then closed the Public Hearing.

MOTION: Moved by Councilmember Gailey, seconded by Councilmember McDaniel, to send Ordinance 1023 back to staff to include a public comment process that would be included with the final plat approval process.

Councilmember McDaniel asked for better public notice, including improved signage.

VOTE: On vote the motion carried (4-3-0-0).

MOTION: Moved by Councilmember Petershagen, seconded by Councilmember Gailey, to close the Public Hearing on Final Plat Authority and Ordinance 1023. On vote the motion carried (7-0-0-0).

Action Items:

Public Works Contract with A-1 Landscaping to Provide Lundeen Park Construction

Improvement: Public Works Director Eric Durpos presented the staff report and said this project provides for improvements to Lundeen Park. Staff recommends that the base bid plus alternatives 1, 2 and 4, for a total cost of \$767,130.80, by A-1 Landscape and Construction be approved, and that the Mayor be authorized to enter into a public works contract to complete this work. The deadline for completion of the work is June 29, 2018 and the contractor understands this date is not negotiable. Staff recommends a management reserve of \$32,869.20 to address minor changes administratively. \$600,000 was budgeted for this project and staff will bring forward a budget amendment for the additional \$200,000. Director Durpos then responded to Councilmembers' questions.

MOTION: Moved by Councilmember Tageant, seconded by Councilmember Welch, to authorize the Mayor to execute a Public Works contract with A-1 Landscaping & Construction, Inc. of Snohomish, WA to provide construction of the Lundeen Park Improvement project in the amount of \$767,130.80 with a management reserve of \$32,869.20. On vote the motion carried (7-0-0-0).

Professional Services Agreement with KPG, P.S. re Main Street Design: Director Durpos presented the staff report. He reviewed the Scope of Work, and said the proposal provides for redesign, engineering, permitting and right of way acquisition for construction of full street improvements to Main Street in downtown Lake Stevens, from 16th Street NE to 20th Street NE. This project is identified as a key component of the City's Downtown Subarea Plan, and the design of the roadway will be integrated into the North Cove Park Master Plan. He added that this project is intended to be funded out of the Downtown Grant fund.

Responding to Councilmember McDaniel's question, Attorney Weed said that because this contract is for a design of Main Street, he does not see a reason that there would be a need for Councilmember McDaniel to recuse herself due to conflict of interest.

MOTION: Moved by Councilmember Tageant, seconded by Councilmember Welch, to authorize the Mayor to execute a Professional Services Agreement with KPG, P.S. to design the Main Street Improvements project in the amount of \$719,214.00 with a management reserve of \$10,786.00. On vote the motion carried (7-0-0-0).

Recreational Concession Agreement and Request for Proposal: Mayor Spencer presented the staff report in City Administrator Gene Brazel's absence. The request for proposal and agreement have been retooled to provide only for recreational activity concessions following Council's earlier input.

Discussion ensued with councilmembers being concerned that the lease agreement being set at "at least 5%" in the Request for Proposal is not adequate and not competitive. Also it does not reflect the cost of utilities. It was commented that this concession is a brick and mortar business, not a mobile business. Council also expressed concern that any concession under this agreement would not have exclusive beach access, that goods should not be stored after the season, and that Council should have final authority to make any changes to the lease, including extending it.

Councilmember Tageant urged moving forward with this concession agreement.

MOTION: Moved by Councilmember Hilt, seconded by Councilmember Gailey, to approve the Recreation Concession Agreement and Request for Proposal, provided that the Concession Agreement is amended to preclude pre-and post-season use of the facility for storage, there will be no exclusive beach access provided, but safe access to the beach will be accommodated, the lease is for the 2018 summer season ending Labor Day 2018, the minimum charge will be raised to take into account the cost of services the concessionaire is receiving from the City, such as parking, electrical use, water and other utilities, and including commercial square footage of the building. On vote the motion carried (6-1-0-0).

Discussion Items:

2018 First Quarter Financial Update: Finance Director Barb Stevens provided the 2018 First Quarter Financial Update and responded to Councilmembers' questions.

Downtown Plan Update: There was consensus to move this discussion to a future meeting.

Choose Washington: Mayor Spencer will bring this forward at a future meeting.

City Council Workshop Schedule: Mayor Spencer requested clarification from Council as to whether they want to hold one workshop meeting a month on the first Tuesday of each month, or if the preference is for two meetings, on the first and third Tuesdays.

Discussion ensued with the consensus being that workshops be held on the first and third Tuesday of each month, and that in addition to staff bringing matters forward, the workshops will be an opportunity for Council to bring ideas and concerns forward.

Councilmember McDaniel requested regular updates on the Mayor's activities.

Councilmember Welch suggested the process and method for communicating to citizens and encouraging citizen input be clarified. Discussion ensued and Council commented that citizen concerns regarding technical issues are more appropriately directed to staff than Council.

Study Session: None.

Executive Session: None.

Adjourn:

Moved by Councilmember Welch, seconded by Daughtry, to adjourn the meeting at 8:53 p.m.
On vote the motion carried (7-0-0-0).

Council Agenda Date: May 8, 2018

Subject: Re-affirm Mayor's authority to sign annexation petition on behalf of the City.

Contact Russ Wright, Community Dev. Director
Person/Department: _____

Budget none
Impact: _____

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL:

Move to re-affirm and authorize the Mayor to execute annexation petitions for the Rhodora Annexation for lots where the City has an annexation covenant granting the right to the City to do so.

DISCUSSION:

On November 14, 2017 City Council approved Resolution 2017-19 accepting the 10% annexation Rhodora Annexation petition and authorizing circulation to receive signatures for the 60% petition. On December 12, 2017 City Council adopted a revised annexation Resolution 2017-22 modifying proposed land use and zoning. Within the annexation area, several of the underlying lots had signed covenants granting the City power to sign annexation petitions on their behalf. For such lots where the City was granted a power of attorney to petition for annexation, the Mayor signed the 60% petition, on behalf of the City, following the direction providing in Resolution 2017-22 to circulate the annexation petition. The County Assessor's office has asked for confirmation that the Mayor has the authority to sign the annexation petition for the City.

Through this action, Council re-affirms its support of this annexation and affirms and authorizes the Mayor to sign on behalf of the City. Along with Council's approval, staff will submit a letter requesting that the Snohomish County Assessor set a date (referred to in the annexation statute as the "terminal date") to review the sufficiency of the petition to move the annexation forward for county action.

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL: Approve the Lease Agreement with the Historical Society for lease of the Museum for a term of one year and for the Grimm House for a term of .

SUMMARY/BACKGROUND: The City has leased a portion of the building located at 1804 Main Street to the Historical Society for use as a Museum for a number of years. Also leased to the Historical Society is the Grimm House for the benefit of citizens and others who wish to view the premises and artifacts displayed therein. Both of these leases are now expired and the parties wish to renew them.

The Historical Society has agreed to be open to the public for additional hours during the summer months, and to provide quarterly financial reports to the City. The term of the lease is for one year, and the lease provides an option for early termination.

The Grimm House lease is for a five year term and also provides that either party may terminate the lease with six months notice.

This was discussed at the May 1, 2018 City Council workshop and no additional changes were requested.

Exhibit A

**LEASE AGREEMENT BETWEEN THE CITY OF LAKE STEVENS
AND LAKE STEVENS HISTORICAL SOCIETY
(Museum)**

This Lease Agreement is made between the CITY OF LAKE STEVENS, a municipal corporation of the State of Washington, hereinafter called "City" and the LAKE STEVENS HISTORICAL SOCIETY, hereinafter called "Society."

1. **LEASE PREMISES:** The City hereby leases to Society the westerly portion of the building located on the following-described property:

Lot 28, Renas Addition to Lake Stevens, according to the plat recorded in Volume 12 of Plats, page 8, records of Snohomish County, Washington, EXCEPT roads.

Commonly known as 1804 Main Street, Lake Stevens, Washington

The leased area is depicted on **EXHIBIT A** as the "Historical Society/Museum," consisting of approximately 1,064 square feet on the first floor and approximately 504 square feet on the second floor, and the "Reading Room," consisting of approximately 352 square feet. The portion of the building occupied by the Lake Stevens Library is excluded from this lease. This lease includes the nonexclusive right to park in the developed parking spaces on parcels north and south of the above-described property, which parking is shared with the Lake Stevens Library. No stalls shall be marked or reserved for the sole use of Society without the prior written consent of the City, in City's sole discretion. The City makes no representation that the available parking is adequate for Society's needs.

2. **TERM:** This lease shall be for a term of _____ years commencing February 11, 2018, and expiring February 10, 20____. Either party may terminate this Lease upon six (6) months written notice to the other for any cause whatsoever. In the event City terminates the lease without cause, City shall make reasonable efforts to assist Society in finding a new location for its activities. Notwithstanding the above, City may terminate this lease if Society abandons the premises, ceases to use the premises for the purposes described in paragraph 4 below, or if at any time Society ceases to be an active nonprofit corporation in good standing with the Washington Secretary of State's Corporations Division.

So long as the City Council has made no finding that the use of the subject property is required for other municipal purposes, the parties agree that, barring a change in circumstances that makes renewal unfeasible or not in the public interest, this lease may be renewed upon mutually acceptable terms.

3. **RENTAL:** The City agrees to provide said space to Society without monetary rent payments subject to the following additional responsibilities of Society:

- a) Society shall maintain and operate the property for the purposes described in paragraph 4 below;
- b) Society shall be responsible for minor repairs and maintenance as hereinafter described;

- c) Society shall provide proof of current public liability insurance and personal property insurance for property owned by it or in its possession;
- d) Society shall provide to the City a copy of its bylaws and any amendments thereof.

4. **SOCIETY'S USE OF PREMISES:** The leased premises may be used and occupied only for a historical society for the benefit of the citizens of the City of Lake Stevens and other individuals who wish to view the premises, and for no other purpose or purposes, without City's prior written consent. Society shall open the museum to the public, at a minimum, Fridays and Saturdays from 1:00 p.m. to 4:00 p.m., and summer hours (i.e., when Lake Stevens Public Schools are not in session for the regular school year) to include Sundays from 1:00 p.m. to 4:00 p.m., but at the option of Society, the museum may be closed on holidays recognized by the State of Washington. The museum shall not be open earlier than 8:00 a.m. nor later than 8:00 p.m. on any day, except by written permission of the City. The parties agree that the value of the services the Society provides to the City and its citizens is approximately the fair market leasehold value of the leased premises and other financial contributions made by the City pursuant to this lease.

- a) Society shall be responsible for securing the leased premises at the end of each working day and at times when the leased premises are closed.
- b) Society shall promptly comply with all laws, ordinances, orders, rules and regulations now in effect, or as hereafter amended, affecting the leased premises and their cleanliness, safety, occupation and use.
- c) Society shall not use any machinery or equipment in the leased premises that might be injurious to the building. Society will not perform any act or carry on any practices that may damage the leased premises or be a nuisance to or menace or injure the public or City's employees, contractors or agents. Society shall not commit or suffer any waste upon the leased premises. Society shall not generate, store or maintain any hazardous substance or material upon leased premises as defined in applicable federal, state and/or local statutes or regulations.
- d) Upon termination of the lease, Society shall quit and surrender the leased premises in as good a state and condition as they were at the commencement of the lease, reasonable wear and tear, damage by the elements or resulting from the structural unfitness of the leased premises for use as in accordance with the lease, or other actions not caused by Society, its employees, agents, customers or invitees, excepted. Society shall return all keys to City.

5. **CITY'S USE OF PREMISES:** The City reserves the unlimited right to use the area designated on **EXHIBIT A** as the "Reading Room" for meetings at any time City elects, regardless of whether the leased premises are open to the public. City shall be responsible for scheduling use of the meeting room. City's use of the reading room shall have scheduling priority. Society shall have the right to use the reading room at any time when the City is not using it. If Society wishes to schedule meetings or other functions in the reading room, Society

shall notify City's designated reading room scheduler to ensure the room will be available for Society's use.

6. **MAINTENANCE:** Society shall maintain the leased premises, and the area immediately adjacent thereto lying between the leased premises and parking areas, keeping the same in generally good repair, reasonable wear and tear excepted, and in neat and clean condition. Society shall perform minor maintenance and shall notify City of the need for any major maintenance. The City shall be responsible for maintaining roof, exterior structure, windows, wall heaters, plumbing, or other major structural components of said building.

7. **IMPROVEMENTS:** Society shall not make any structural improvements or alterations to the leased premises without the prior written consent of City, in City's sole discretion, and subject to any conditions which City in its sole discretion may impose. The City agrees that upon termination or expiration of said Lease, Society may remove all fixtures which it owns or has installed which can be removed without structural damage to the building. Upon such removal Society will restore the premises to its condition prior to installation of such fixtures. Society further agrees that prior to said removal, it will advise the City of which items it desires to remove in order that the parties may negotiate other alternatives. Any fixtures not so removed shall become the property of City; provided, City may elect to require removal of some or all of Society's fixtures at Society's sole expense.

8. **UTILITIES:** City shall be responsible for payment of all utilities serving the leased premises including, but not limited to, heat, lights, water, garbage, sewer, telephone, internet and cable. Society shall maintain heat in the building as deemed proper for artifacts displayed.

No temporary interruption or failure of such services incident to the making of repairs, alterations, or improvements, or due to accident or strike, or conditions or events beyond City's reasonable control shall be deemed an eviction of Society or shall release Society from any of Society's obligations under this lease.

9. **RISK OF LOSS / INSURANCE:** All personal property of Society or other parties kept or maintained at the leased premises shall be at the risk of Society. City shall insure the building. Society shall be responsible for insuring its personal property and any property of others located at the premises. Society shall also provide a comprehensive liability insurance policy, including bodily injury and property damage, written by a company acceptable to and approved by City in the amount of ONE MILLION DOLLARS (\$1,000,000.00). Society shall furnish to the City a Certificate of Insurance evidencing such coverage, and naming the City, its officers, employees and elected officials, as additional insured. The certificate shall specify that 30 days prior notice of cancellation will be sent to the City. Society acknowledges that City's insurance is for the benefit of City and provides no coverage for Society.

10. **TAXES:**

- a) City shall be responsible for all real property taxes and assessments levied or assessed against the leased premises by any governmental entity, including any special assessments imposed on or against the leased premises for the construction or improvement of public works in, on or about the leased premises; provided, however, that the Society shall conduct no activity on the leased

premises nor place any articles on the leased premises that will increase the real property taxes levied or assessed against the leased premises.

- b) Society shall pay before delinquency any and all taxes, assessments, license fees, and public charges levied, assessed or imposed and which become payable during the Lease upon Society's fixtures, furniture, appliances and personal property installed or located in the leased premises.

If a loss or claim is caused by or results from the concurrent negligence of the Society, its appointed or elected officers, employees, or agents and the City, its elected or appointed officials, employees, or agents, this clause shall be valid and enforceable only to the extent of the negligence of the Society, its appointed or elected officers, employees, or agents.

The parties acknowledge that the foregoing indemnity provisions were mutually negotiated and survive the termination of this Lease.

12. **SIGNS AND LANDSCAPING.** City shall have the right to control landscaping and approve the placing of signs and the size and quality of the same. Society shall make no alterations or additions to the landscaping and shall place no exterior signs on the leased premises without the prior written consent of City. Any signs not in conformity with this lease may be immediately removed and destroyed by City.

Said financial statements shall be provided to City in writing within thirty (30) days after the last day of each quarter of the calendar year.

16. **NOTICE:** Any notice given by Society to City shall be directed to the Mayor and delivered to the Lake Stevens City Hall and shall be deemed given on the date it is so delivered. Any notice given by the City to the Society shall be given to the responsible persons

hereinbefore described at the address described, or in the absence of any such persons, names or addresses, notice to Society shall be deemed adequate by delivering a copy of same to the leased premises or posting notice on the door of the leased premises. The parties agree that any dispute arising between them which is not otherwise resolved should be referred for mediation or arbitration in an effort to amicably settle any disputes.

18. **RIGHT OF ENTRY:** During the term of this lease Society agrees that the City's agents or employees may enter upon said premises during any hours when the leased premises are open to the public or, with prior written notice to Society, at other reasonable times, for purposes of inspection and/or repairs; provided, City may enter without notice in the event of an emergency. In the event of emergency entry, City shall make reasonable efforts to provide notice of entry to Society.

19. **ATTORNEY FEES/COLLECTION CHARGES.** In the event of any legal action or proceeding, mediation, arbitration or suit between the parties hereto in connection with or arising out of this lease, the substantially prevailing party shall be entitled to collect, in addition to any judgment awarded by a mediator, arbitrator or court, a reasonable sum as attorneys' fees, and all costs and expenses incurred in connection with such mediation, arbitration or lawsuit, including attorneys' fees, costs, and expenses of any appeal of a judgment, and if the substantially prevailing party shall recover judgment in any such action or proceeding, such costs, expenses and attorney's fees shall be included in and as a part of such judgment. This lease shall be governed by the laws of the State of Washington. The venue for litigation to resolve any dispute related to this lease shall be Snohomish County Superior Court. The location of Grimm House is depicted on **EXHIBIT A** attached hereto and incorporated herein by this reference. This lease includes the nonexclusive right to park in the developed parking spaces on the above-described property, which parking is shared with the Sno-Isle Library. No stalls shall be marked or reserved for the sole use of Society without the prior written consent of the City, in City's sole discretion. The City makes no representation that the available parking is adequate for Society's needs.

2. **TERM:** This lease shall be for a term of five (5) years commencing April 25, 2018, and expiring April 24, 2023. The parties agree that, baring a change in circumstances that makes renewal unfeasible or not in the public interest, this lease may be renewed upon mutually acceptable terms.

3. **RENTAL:** The City agrees to provide said space to Society without monetary rent payments subject to the following additional responsibilities of Society:

- b) Society shall be responsible for securing the structure at the end of each working day and at times when said structure is closed.
- c) Society shall promptly comply with all laws, ordinances, orders, rules and regulations now in effect, or as hereafter amended, affecting the leased premises and their cleanliness, safety, occupation and use.

Society shall return all keys to City.

5. MAINTENANCE: Society shall maintain Grimm House, and the area immediately adjacent thereto lying between Grimm House and the driveway and parking areas, keeping the same in generally good repair, reasonable wear and tear excepted, and in neat and clean condition. Upon such removal Society will restore the premises to its condition prior to installation of such fixtures.

Society further agrees that prior to said removal, it will advise the City of which items it desires to remove in order that the parties may negotiate other alternatives. Any fixtures not so removed shall become the property of City; provided, City may elect to require removal of some or all of Society's fixtures at Society's sole expense.

7. UTILITIES: City shall be responsible for payment of all utilities serving the leased premises including, but not limited to, heat, lights, water, garbage, sewer, telephone, internet and cable. Society shall maintain heat in the building as deemed proper for artifacts displayed.

City shall not be liable for any loss, injury, or damaged property caused by or resulting from any variation, interruption, or failure of any utility service beyond City's reasonable control. Society acknowledges that City's insurance is for the benefit of City and provides no coverage for Society.

9. TAXES:

- a) City shall be responsible for all real property taxes and assessments levied or assessed against the leased premises by any governmental entity, including any special assessments imposed on or against the leased premises for the construction or improvement of public works in, on or about the leased premises; provided, however, that the Society shall conduct no activity on the leased premises nor place any articles on the leased premises that will increase the real property taxes levied or assessed against the leased premises.
- b) Society shall pay before delinquency any and all taxes, assessments, license fees, and public charges levied, assessed or imposed and which become payable during the Lease upon Society's fixtures, furniture, appliances and personal property installed or located in the leased premises.
- c) Society agrees to pay the amount of all taxes levied upon or measured by the rent or the market value of the leased premises, whether as a sales tax, transaction privilege tax, leasehold excise tax, or otherwise. Such taxes shall be due and payable at the time the same are levied or assessed.

10. INDEMNIFICATION: Society shall protect, hold harmless, indemnify, and defend, at its own expense, the City, its officers, employees, and agents from any loss or claim for damages of any nature whatsoever, including claims by third parties or by the Society's employees

LAKE STEVENS CITY COUNCIL
STAFF REPORT

Council Agenda Date: May 8,
2018

Subject: SharePoint Online – Business Transformation Services

Contact

Person/Department: Troy Stevens / ITD – Teri Smith / HR

Budget \$14K 1st year

Impact: \$2K/year renewal FY19

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL: Approve Purchase of SP Marketplace License and Portals in the amount of \$11,976.50 and SP Market Place Application Customization Services in the amount of \$1,750, for a total amount of \$13,826.50

SUMMARY/BACKGROUND:

Teri Smith: Our current “HRIS” is an Access database that has been in use for over a decade. Our finance system, Springbrook, has an HR module but it has not been purchased. I did a demo to review its functionality for Human Resources, but found it to be very lacking and limiting in its application for HR, and the cost was not conducive for what we would receive. After reviewing other HRIS products over the past two years, I decided to look at optimizing Office 365 and SharePoint to turn our existing database information into an inexpensive HRIS-“lite” product. This option allows us to create how we want the portal to be configured, it’s very flexible in changing and expanding what and how we want to include, provides dashboard functionality for others to use (not all HR information has to be clouded under the veil of secrecy), and builds upon the database we already have. This is a simple and cost-effective solution to get the best functionality for our HR needs at this time. After the initial cost of building the SharePoint application of just under \$3,000, there is a minimal on-going annual subscription fee of \$686. These costs can be covered in the HR professional services budget.

Troy Stevens: The City has been utilizing SharePoint technologies internally for about 8 years it has served as an intranet for all departments to utilize for information sharing and internal processes. The IT Committee and Executive Team has determined we need to engage in professional services to develop a roadmap that will work with each department to determine their needs, process and how we can leverage these new technology and tools. The City’s goal is to get an initial SharePoint site structure built and assist with setup and training, but in the years to come we want to continue our engagement with SP Marketplace for future initiatives and support of our sites, They will serve as a resource for our department heads to consult and engage in special project/apps that can be built on top of this platform.

I’ve included some key slides from SP Marketplace’s presentation on how they will help us transform our current site to a truly digital workplace for all to use.

LAKE STEVENS CITY COUNCIL
STAFF REPORT

Agenda Date: May 8, 2018

Subject: Lake Safety Taskforce Status

Contact	Jill Meis, Associate Planner	Budget	\$TBD
Person/Department:	Russ Wright, Community Development Director John Dyer, Police Chief	Impact:	

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL: **Accept recommendations of the Lake Safety Taskforce and the Mayor and to proceed with implementation of the Lake Safety Taskforce findings.**

SUMMARY

Lake Stevens Police Department evaluated the use of home-made and homeowner placed markers in the lake in 2016 and determined the markers created a hazard, were not consistent and were not permitted, this led the Police Department to have the markers removed. Since this time the City has received calls and emails from lakeside homeowners asking for the ability to permit buoys in front of properties to demarcate a water safety zone and keep highspeed watercraft 100-feet from docks. Another issue as identified by the Lake Stevens Police is the growing competition between swimmers, motorized vessels and non-motorized vessels on Lake Stevens. Installation of navigational markers is the responsibility of the overseeing jurisdiction.

City Council voted on March 28, 2017 to establish the Lake Stevens Lake Safety Taskforce to study and make recommendations regarding safety issues on Lake Stevens. On March 29, 2017, the first public meeting was held to introduce the public to the idea and the consensus was to proceed with a safety program. On June 13, 2017, the Public Safety subcommittee made a recommendation to City Council to proceed with a pilot program. The pilot program elements focused on safety markers at high traffic areas, distribution of lake rules to waterfront owners via a mailer and social media, increased enforcement and police recording statistics on stops, as well as follow up. On June 27, 2017 City Council approved a pilot program.

On October 25, 2017, at the conclusion of the pilot program, the Lake Safety Taskforce held their first meeting. At this meeting the commitments for participation in the taskforce were discussed, including the number of meetings and the goals of the program, as were the results of the pilot program. Police and Planning staff were present to answer questions and additional information was requested by the taskforce members.

On December 5, 2017, the Lake Safety Taskforce was presented data on boating statistics collected by the Police Department during the pilot program. Lt. Rochon with the Snohomish County Sherriff's office presented information on boating laws and answered questions.

On January 16, 2018, the Lake Safety Taskforce selected a preferred alternative for a safety marker program that placed markers at high traffic areas and allowed for citizens to make application for a marker to be placed at their parcel after analysis by Community Development and Police and a subsequent approval. The marker placement is like the pilot program but allows for the markers to be uniform and a line-of-sight to be established. At this meeting the taskforce recommended city staff begin to prepare code amendments.

On February 28, 2018, signage materials were presented and general thoughts were to simplify signage with information quickly available for users. Additional discussion on potential elements to add and improve existing

communication ensued. A survey was distributed and the results indicate signage as the most important form of communication, other forms suggested were having an intern or Explorer at the boat launches to hand out the rules of the lake in abbreviated form, increased enforcement and social media.

The final meeting of the Lake Safety Taskforce was held on April 25, 2018. A discussion regarding code development was most of the agenda. The taskforce offered suggestions including consistency of definitions, process of homeowner application for safety marker, verbiage of speed in safety zone and implementation. Staff will prepare code amendments and provide to the task force before codification.

The next steps are:

1. Place safety markers,
2. Produce new signs,
3. Develop brochure for distribution,
4. Continue communication development and
5. Revise code language including individual homeowners requests for safety markers as well as clear language on vessel speed in the safety zone.

Council **Agenda** May 8, 2018
Date: _____

Subject: Sport Field Uses

Contact Russ Wright **Budget** none
Person/Department: Community Development Director **Impact:** _____

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL: Discuss options for use of city-owned sports fields by athletic teams and provide guidance on a preferred rental/use agreement method.

BACKGROUND:

Planning and Community Development and the Lake Steven Parks Board have been coordinating with Lake Stevens Junior Athletics on anticipated needs for youth sports in Lake Stevens, specifically a need for practice fields. Staff has provided examples of use agreements from Marysville and Snohomish County for your review.

DISCUSSION:

Council has described its interest in developing active park amenities including athletic fields for youth sports and activities with the increased population growth in the city. Through conversations with the Lake Stevens Junior Athletics (LSJA) and the Parks Board, staff has been apprised of the enrollment numbers for youth sports and number of fields available. What became apparent is the need for practice fields for football, soccer and baseball/softball. We have also learned that Lacrosse would like to expand into Lake Stevens.

The city's Park Plan has identified capital improvements for Frontier Heights and 20th Street Ballfields to construct athletic fields along with other park amenities. Frontier Heights will be under design soon for full park improvements. We have applied for Recreation Conservation Office grants to aid in the Phase 1 construction of Frontier Heights. The second phase will include the construction of appropriate sports fields on the northern part of the site. Public Works has begun leveling the fields, installing temporary facilities and plans to reseed grass in the fields to support summer use at the 20th Street Ballfields.

Staff reached out to Everett, Marysville and Snohomish County to determine how they administer field uses. Examples from Marysville and Snohomish County are provided. Marysville uses a simple rental agreement with prioritized user groups, schedule, hours, rules and billing. The field use is billed on an hourly basis. Snohomish County has provided a facility use agreement to a designated licensee. Compensation is in field maintenance and hourly utility payment for lighting.

Staff is requesting that Council identify a preference and direct staff to develop city policies and fees for seasonal or hourly field use.

Athletic Field Use Guidelines

The City of Marysville has identified the Marysville School District #25 boundaries as its highest priority service area for Parks and Recreation facilities and services. All residents have the right to use Parks Department facilities for appropriate recreation activities. Individuals and groups not residing within the designated boundaries will be permitted use after those individuals and those groups that reside within the boundaries recreational needs have been met. It is the intent of this guideline to recognize and support user groups who have the highest number of residents within their organization or club first and then allocate available use to non-residents without impacting the life of the fields.

Priority categories are as follows:

First Priority	City of Marysville programs & special events.
Second Priority	Local community sponsored youth/adult games & practices.
Third Priority	Regional community youth/adult events.
Fourth Priority	Private group rentals

“Local Community” is defined as Marysville residents, and recreations organizations and non-profit organizations, serving residents who live within the boundaries of the Marysville School District # 25.

- All scheduled organizations are required to show proof of insurance showing the City of Marysville as co-insured.
- Presidents and/or elected officers are directly responsible for informing team managers and coaches of policies regarding field usage.
- Scheduling for an organization must be coordinated through one representative of the organization.
- If two groups are equal in the above, the group with the longest consecutive use history will have their field use time and dates considered first.
- Field use may be reduced or deleted based upon an organization's usage of scheduled field time.
- The City reserves the right to limit the amount of play permitted on the fields. Use of the facilities will be limited in the event of bad weather, or when high impact activities pose substantial risk of damage to the facility. Maintenance needs may also limit use of the facilities. The City, at its sole discretion reserves the right to cancel any approved application whenever it is deemed in the best interest of the City and or facility.

City of Marysville Non-Discrimination Policy for Parks and Recreation Facilities and Programs

The City of Marysville shall not discriminate in the use of City Park and Recreation facilities or programs on the basis of race, creed, color, national origin, sexual orientation, sex, honorably discharged veteran or military status, status as a mother breastfeeding her child, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability. In addition, neither the City nor a third party receiving a lease or permit from the City shall discriminate on the basis of sex in the operation, conduct, or administration of community athletic programs. Persons having questions or wishing to file a complaint regarding this policy may contact the City's Director of Parks and Recreation. Persons requiring a reasonable accommodation for a disability may contact the City's Human Resources Manager.

However, the insurance afforded by this provision does not apply if there is available to the insured other valid and collectible insurance, whether primary, excess (other than insurance written to apply specifically in excess of this policy), contingent or on any other basis, that would also apply to the loss covered under this provision.

B. NON-OWNED WATERCRAFT

Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability, Subparagraph (2) of exclusion g. **Aircraft, Auto Or Watercraft** is replaced by the following:

C. PROPERTY DAMAGE LIABILITY - ELEVATORS

For the purpose of this provision, elevators do not include vehicle lifts. Vehicle lifts are lifts or hoists used in automobile service or repair operations.
2. The following is added to Section IV - Commercial General Liability Conditions, Condition 4. Other Insurance, Paragraph b. **Excess Insurance**:

The insurance afforded by this provision of this endorsement is excess over any property insurance, whether primary, excess, contingent or on any other basis.

D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)

If Damage To Premises Rented To You is not otherwise excluded from this Coverage Part:

1. Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury and Property Damage Liability:
 - a. The fourth from the last paragraph of exclusion j. **Damage To Property** is replaced by the following:

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion, smoke, or leakage from an automatic fire protection system) to:

 - (i) Premises rented to you for a period of 7 or fewer consecutive days; or
 - (ii) Contents that you rent or lease as part of a premises rental or lease agreement for a period of more than 7 days.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" to contents of premises rented to you for a period of 7 or fewer consecutive days.

A separate limit of insurance applies to this coverage as described in Section III - Limits of Insurance.

- b. The last paragraph of subsection **2. Exclusions** is replaced by the following:

Exclusions **c.** through **n.** do not apply to damage by fire, lightning, explosion, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to Damage To Premises Rented To You as described in **Section III - Limits Of Insurance.**

2. Paragraph **6.** under **Section III - Limits Of Insurance** is replaced by the following:

6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to:

- b. Contents that you rent or lease as part of a premises rental or lease agreement.

3. As regards coverage provided by this provision **D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)** - Paragraph **9.a.** of **Definitions** is replaced with the following:

9.a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning, explosion, smoke, or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with the permission of the owner, or for damage to contents of such premises that are included in your premises rental or lease agreement, is not an "insured contract".

E. MEDICAL PAYMENTS EXTENSION

- d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to **\$500** a day because of time off from work.

G. ADDITIONAL INSURED - BY CONTRACT, AGREEMENT OR PERMIT

1. Paragraph **2.** under **Section II - Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by:

- a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your on going operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or

- b. Premises or facilities rented by you or used by you; or
- c. The maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or
- d. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit subject to the following additional provisions:
 - (1) This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of the operations performed for the state or political subdivision;
 - (2) This insurance does not apply to "bodily injury" or "property damage" included within the "completed operations hazard".
 - (3) Insurance applies to premises you own, rent, or control but only with respect to the following hazards:
 - (a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or
 - (b) The construction, erection, or removal of elevators; or
 - (c) The ownership, maintenance, or use of any elevators covered by this insurance.

With respect to Paragraph 1.a. above, a person's or organization's status as an additional insured under this endorsement ends when:

- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to Paragraph 1.b. above, a person's or organization's status as an additional insured under this endorsement ends when their written contract or written agreement with you for such premises or facilities ends.

With respects to Paragraph 1.c. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. **Duties In the Event Of Occurrence, Offense, Claim Or Suit** under **Section IV - Commercial General Liability Conditions**.

- 2. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. **Exclusions** under **Section I - Coverage A - Bodily Injury And Property Damage Liability**:

This insurance does not apply to:

- a. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.
- b. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.
- c. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.
- d. "Bodily injury" or "property damage" occurring after:
- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- e. Any person or organization specifically designated as an additional insured for ongoing operations by a separate **ADDITIONAL INSURED -OWNERS, LESSEES OR CONTRACTORS** endorsement issued by us and made a part of this policy.

H. PRIMARY AND NON-CONTRIBUTORY ADDITIONAL INSURED EXTENSION

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

Condition 4. Other Insurance of SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

a. The following is added to Paragraph a. **Primary Insurance**:

If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

b. The following is added to Paragraph b. **Excess Insurance**:

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

I. ADDITIONAL INSUREDS- EXTENDED PROTECTION OF YOUR "LIMITS OF INSURANCE"

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

1. The following is added to Condition 2. **Duties In The Event Of Occurrence, Offense, Claim or Suit**:

An additional insured under this endorsement will as soon as practicable:

- a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;
- b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and
- c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

- d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.
2. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in **Section III - Limits of Insurance** of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

**J. WHO IS AN INSURED- INCIDENTAL MEDICAL ERRORS / MALPRACTICE
WHO IS AN INSURED - FELLOW EMPLOYEE EXTENSION- MANAGEMENT EMPLOYEES**

Paragraph 2.a.(1) of **Section II - Who Is An Insured** is replaced with the following:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1) (a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1) (a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services. However, if you are not in the business of providing professional health care services or providing professional health care personnel to others, or if coverage for providing professional health care services is not otherwise excluded by separate endorsement, this provision (Paragraph (d)) does not apply.

Paragraphs (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee's" job responsibilities assigned by you, includes the direct supervision of other "employees" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and advertising injury" arising out of their willful conduct, which is defined as the purposeful or willful intent to cause "bodily injury" or "personal and advertising injury", or caused in whole or in part by their intoxication by liquor or controlled substances.

The coverage provided by provision J. is excess over any other valid and collectable insurance available to your "employee".

K. NEWLY FORMED OR ADDITIONALLY ACQUIRED ENTITIES

Paragraph 3. of **Section II - Who Is An Insured** is replaced by the following:

3. Any organization you newly acquire or form and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the expiration of the policy period in which the entity was acquired or formed by you;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
 - d. Records and descriptions of operations must be maintained by the first Named Insured.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations or qualifies as an insured under this provision.

L. FAILURE TO DISCLOSE HAZARDS AND PRIOR OCCURRENCES

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition **6. Representations**:

Your failure to disclose all hazards or prior "occurrences" existing as of the inception date of the policy shall not prejudice the coverage afforded by this policy provided such failure to disclose all hazards or prior "occurrences" is not intentional.

M. KNOWLEDGE OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition **2. Duties In The Event of Occurrence, Offense, Claim Or Suit**:

Knowledge of an "occurrence", offense, claim or "suit" by an agent, servant or "employee" of any insured shall not in itself constitute knowledge of the insured unless an insured listed under Paragraph **1. of Section II - Who Is An Insured** or a person who has been designated by them to receive reports of "occurrences", offenses, claims or "suits" shall have received such notice from the agent, servant or "employee".

N. LIBERALIZATION CLAUSE

If we revise this Commercial General Liability Extension Endorsement to provide more coverage without additional premium charge, your policy will automatically provide the coverage as of the day the revision is effective in your state.

O. BODILY INJURY REDEFINED

3. "Bodily Injury" means physical injury, sickness or disease sustained by a person. This includes mental anguish, mental injury, shock, fright or death that results from such physical injury, sickness or disease.

P. EXTENDED PROPERTY DAMAGE

Exclusion a. of COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY is replaced by the following:

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition **8. Transfer Of Rights Of Recovery Against Others To Us**:

We waive any right of recovery we may have against a person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard" provided:

1. You and that person or organization have agreed in writing in a contract or agreement that you waive such rights against that person or organization; and
2. The injury or damage occurs subsequent to the execution of the written contract or written agreement.

**AMENDMENT NO. 1 TO FACILITY USE AGREEMENT – LAKE STEVENS
COMMUNITY COUNTY PARK ATHLETIC FIELDS**

WHEREAS, the County and the Licensee executed an agreement entitled “Facility Use Agreement – Lake Stevens Community County Park Athletic Fields” (the “Original Agreement”) on March 12, 2010;

WHEREAS, under the Original Agreement the parties contemplated that the Licensee’s obligations to maintain the athletic fields would extend only to the Licensee’s use of said athletic fields and not to the use of other licensed and/or permitted third party users;

WHEREAS, in order to increase efficiency and save maintenance costs, the County would like to contract with the Licensee to provide additional maintenance services of the athletic fields for the benefit of other licensed and/or permitted third party users;

WHEREAS, the Licensee is agreeable to providing additional maintenance services of the athletic fields in exchange for the corresponding hourly field fees paid by licensed and/or permitted third party users;

NOW, THEREFORE, for and in consideration of the mutual benefits conferred on both parties, the parties agree as follows:

Section 1. Section 2, subsection 2.2, sub subsection 2.2.2 of the Original Agreement is amended to read as follows:

The Licensee shall coordinate its use of the athletic fields which have been licensed to the Licensee pursuant to the terms of this Agreement. The Licensee is not permitted to set or collect fees for use of the athletic fields. The County reserves the sole authority to schedule the use of the athletic fields by other third parties, assess and collect fees, and the authority to operate, license, and authorize any act and all uses of Lake Stevens Community County Park and the athletic fields that are not in conflict with this Agreement.

Section 2. Section 2, subsection 2.3, sub subsection 2.3.1 of the Original Agreement is amended to read in its entirety as follows:

The Licensee shall maintain, at its own costs and in proportion to its use of, the athletic fields, including, but not limited to, dragging and lining the fields, seeding, mowing, and fertilizing according to current national standards of care in

order to maintain the athletic fields in a safe operating condition. The County will be responsible for costs and work related to soil preparation, top dressing, and watering of the athletic fields. Licensee is subject to the same restrictions that apply to the County when applying fertilizer, pesticides, and/or herbicides, including prohibition against use of any 2-4-D derivatives. Any questions regarding the restrictions should be directed to the Parks Day-to-Day Liaison. Licensee shall ensure that its use of fertilizer, pesticides, fungicides, rodenticides, or herbicides is consistent with all label requirements and any other applicable local, state, or federal laws or regulations. Licensee will follow the Snohomish County Parks Turf Maintenance Standards, attached hereto as Attachment B and incorporated herein by this reference. In response to the Right to Know Act, current MSDS information sheets will be available and kept up-to-date in the restroom, chase area, or the parking lot that serves the athletic fields.

Section 3. Section 2 of the Original Agreement is amended by the addition of a new subsection 2.7 to read as follows:

Maintenance for Third Party Use. Consistent with subsections 1.1 and 7.1 of this Agreement, the County may license, permit, or otherwise schedule the use of the athletic fields by other third parties not associated with the Licensee. Upon licensing, permitting, or scheduling such third parties to use the athletic fields, the County may notify the Licensee, and the Licensee shall perform any and all maintenance necessary to prepare the athletic fields for use by the third party. In consideration for such maintenance, the County shall remit to the Licensee any hourly field fees collected by the County from the third party for the use of the athletic fields. No other reimbursement, whether for labor, costs, expenses, overhead, administration or otherwise, shall be owed to the Licensee from the County.

Section 4. All other terms and conditions of the Original Agreement shall remain in full force and effect except as expressly modified by this First Amendment.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment as of the day and year first written above.

A. NON-OWNED AIRCRAFT

Under Paragraph 2. **Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability**, exclusion **g. Aircraft, Auto Or Watercraft** does not apply to an aircraft provided:

1. It is not owned by any insured;
2. It is hired, chartered or loaned with a trained paid crew;
3. The pilot in command holds a currently effective certificate, issued by the duly constituted authority of the United States of America or Canada, designating her or him a commercial or airline pilot; and
4. It is not being used to carry persons or property for a charge.

However, the insurance afforded by this provision does not apply if there is available to the insured other valid and collectible insurance, whether primary, excess (other than insurance written to apply specifically in excess of this policy), contingent or on any other basis, that would also apply to the loss covered under this provision.

B. NON-OWNED WATERCRAFT

Under Paragraph 2. **Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability**, Subparagraph (2) of exclusion **g. Aircraft, Auto Or Watercraft** is replaced by the following:

This exclusion does not apply to:

- (2) A watercraft you do not own that is:
 - (a) Less than 52 feet long; and
 - (b) Not being used to carry persons or property for a charge.

C. PROPERTY DAMAGE LIABILITY - ELEVATORS

1. Under Paragraph 2. **Exclusions of Section I - Coverage A - Bodily Injury And Property Damage Liability**, Subparagraphs (3), (4) and (6) of exclusion **j. Damage To Property** do not apply if such "property damage" results from the use of elevators. For the purpose of this provision, elevators do not include vehicle lifts. Vehicle lifts are lifts or hoists used in automobile service or repair operations.
2. The following is added to **Section IV - Commercial General Liability Conditions**, Condition 4. **Other Insurance**, Paragraph **b. Excess Insurance**:

The insurance afforded by this provision of this endorsement is excess over any property insurance, whether primary, excess, contingent or on any other basis.

D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)

If Damage To Premises Rented To You is not otherwise excluded from this Coverage Part:

1. Under Paragraph 2. **Exclusions of Section I - Coverage A - Bodily Injury and Property Damage Liability**:
 - a. The fourth from the last paragraph of exclusion **j. Damage To Property** is replaced by the following:

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire, lightning, explosion, smoke, or leakage from an automatic fire protection system) to:

 - (i) Premises rented to you for a period of 7 or fewer consecutive days; or
 - (ii) Contents that you rent or lease as part of a premises rental or lease agreement for a period of more than 7 days.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" to contents of premises rented to you for a period of 7 or fewer consecutive days.

A separate limit of insurance applies to this coverage as described in **Section III - Limits of Insurance**.

- b. The last paragraph of subsection **2. Exclusions** is replaced by the following:

Exclusions c. through n. do not apply to damage by fire, lightning, explosion, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to Damage To Premises Rented To You as described in **Section III - Limits Of Insurance**.

2. Paragraph 6. under **Section III - Limits Of Insurance** is replaced by the following:

6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to:

- a. Any one premise:

(1) While rented to you; or

(2) While rented to you or temporarily occupied by you with permission of the owner for damage by fire, lightning, explosion, smoke or leakage from automatic protection systems; or

- b. Contents that you rent or lease as part of a premises rental or lease agreement.

3. As regards coverage provided by this provision **D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)** - Paragraph 9.a. of **Definitions** is replaced with the following:

9.a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning, explosion, smoke, or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with the permission of the owner, or for damage to contents of such premises that are included in your premises rental or lease agreement, is not an "insured contract".

E. MEDICAL PAYMENTS EXTENSION

If **Coverage C Medical Payments** is not otherwise excluded, the Medical Payments provided by this policy are amended as follows:

Under Paragraph **1. Insuring Agreement** of **Section I - Coverage C - Medical Payments**, Subparagraph (b) of Paragraph a. is replaced by the following:

2. Paragraph 1.d. is replaced by the following:

- d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to **\$500** a day because of time off from work.

G. ADDITIONAL INSURED - BY CONTRACT, AGREEMENT OR PERMIT

1. Paragraph 2. under **Section II - Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by:

- a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your on going operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or

- b. Premises or facilities rented by you or used by you; or
- c. The maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or
- d. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit subject to the following additional provisions:
 - (1) This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of the operations performed for the state or political subdivision;
 - (2) This insurance does not apply to "bodily injury" or "property damage" included within the "completed operations hazard".
 - (3) Insurance applies to premises you own, rent, or control but only with respect to the following hazards:
 - (a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or
 - (b) The construction, erection, or removal of elevators; or
 - (c) The ownership, maintenance, or use of any elevators covered by this insurance.

With respect to Paragraph 1.a. above, a person's or organization's status as an additional insured under this endorsement ends when:

- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to Paragraph 1.b. above, a person's or organization's status as an additional insured under this endorsement ends when their written contract or written agreement with you for such premises or facilities ends.

With respects to Paragraph 1.c. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. **Duties In the Event Of Occurrence, Offense, Claim Or Suit under Section IV - Commercial General Liability Conditions.**

- 2. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. **Exclusions under Section I - Coverage A - Bodily Injury And Property Damage Liability:**

This insurance does not apply to:

- a. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.
- b. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.
- c. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.
- d. "Bodily injury" or "property damage" occurring after:
- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- e. Any person or organization specifically designated as an additional insured for ongoing operations by a separate **ADDITIONAL INSURED -OWNERS, LESSEES OR CONTRACTORS** endorsement issued by us and made a part of this policy.

H. PRIMARY AND NON-CONTRIBUTORY ADDITIONAL INSURED EXTENSION

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

Condition 4. Other Insurance of SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

a. The following is added to Paragraph **a. Primary Insurance**:

If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

b. The following is added to Paragraph **b. Excess Insurance**:

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

I. ADDITIONAL INSUREDS- EXTENDED PROTECTION OF YOUR "LIMITS OF INSURANCE"

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

1. The following is added to Condition **2. Duties In The Event Of Occurrence, Offense, Claim or Suit**:

An additional insured under this endorsement will as soon as practicable:

- a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;
- b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and
- c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.

2. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in **Section III - Limits of Insurance** of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

**J. WHO IS AN INSURED- INCIDENTAL MEDICAL ERRORS / MALPRACTICE
WHO IS AN INSURED - FELLOW EMPLOYEE EXTENSION- MANAGEMENT EMPLOYEES**

Paragraph 2.a.(1) of **Section II - Who Is An Insured** is replaced with the following:

(1) "Bodily injury" or "personal and advertising injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1) (a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1) (a) or (b) above; or
- (d) Arising out of his or her providing or failing to provide professional health care services. However, if you are not in the business of providing professional health care services or providing professional health care personnel to others, or if coverage for providing professional health care services is not otherwise excluded by separate endorsement, this provision (Paragraph (d)) does not apply.

Paragraphs (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee's" job responsibilities assigned by you, includes the direct supervision of other "employees" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and advertising injury" arising out of their willful conduct, which is defined as the purposeful or willful intent to cause "bodily injury" or "personal and advertising injury", or caused in whole or in part by their intoxication by liquor or controlled substances.

The coverage provided by provision J. is excess over any other valid and collectable insurance available to your "employee".

K. NEWLY FORMED OR ADDITIONALLY ACQUIRED ENTITIES

Paragraph 3. of **Section II - Who Is An Insured** is replaced by the following:

3. Any organization you newly acquire or form and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
- a. Coverage under this provision is afforded only until the expiration of the policy period in which the entity was acquired or formed by you;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
 - d. Records and descriptions of operations must be maintained by the first Named Insured.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations or qualifies as an insured under this provision.

L. FAILURE TO DISCLOSE HAZARDS AND PRIOR OCCURRENCES

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition 6. **Representations**:

Your failure to disclose all hazards or prior "occurrences" existing as of the inception date of the policy shall not prejudice the coverage afforded by this policy provided such failure to disclose all hazards or prior "occurrences" is not intentional.

M. KNOWLEDGE OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition 2. **Duties In The Event of Occurrence, Offense, Claim Or Suit**:

Knowledge of an "occurrence", offense, claim or "suit" by an agent, servant or "employee" of any insured shall not in itself constitute knowledge of the insured unless an insured listed under Paragraph 1. of **Section II - Who Is An Insured** or a person who has been designated by them to receive reports of "occurrences", offenses, claims or "suits" shall have received such notice from the agent, servant or "employee".

N. LIBERALIZATION CLAUSE

If we revise this Commercial General Liability Extension Endorsement to provide more coverage without additional premium charge, your policy will automatically provide the coverage as of the day the revision is effective in your state.

O. BODILY INJURY REDEFINED

Under **Section V - Definitions**, Definition 3. is replaced by the following:

3. "Bodily Injury" means physical injury, sickness or disease sustained by a person. This includes mental anguish, mental injury, shock, fright or death that results from such physical injury, sickness or disease.

P. EXTENDED PROPERTY DAMAGE

Exclusion a. of COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY is replaced by the following:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

Q. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - WHEN REQUIRED IN A CONTRACT OR AGREEMENT WITH YOU

Under **Section IV - Commercial General Liability Conditions**, the following is added to Condition 8. **Transfer Of Rights Of Recovery Against Others To Us**:

We waive any right of recovery we may have against a person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard" provided:

1. You and that person or organization have agreed in writing in a contract or agreement that you waive such rights against that person or organization; and
2. The injury or damage occurs subsequent to the execution of the written contract or written agreement.

**FACILITY USE AGREEMENT -
LAKE STEVENS COMMUNITY COUNTY PARK
ATHLETIC FIELDS**

This FACILITY LICENSING AGREEMENT is made by and between SNOHOMISH COUNTY, a political subdivision of the State of Washington, on behalf of its Department of Parks & Recreation (the "County") and Lake Stevens Junior Athletic Association, a Washington non-profit corporation (the "Licensee") which is comprised of four (4) sports leagues; Lake Stevens Little League Baseball, North County Youth Soccer Association, Lake Stevens Junior Football, and Lake Stevens Cheerleading.

RECITALS

- A. The County owns certain real property commonly known as Lake Stevens Community County Park.
- B. Lake Stevens Community County Park has developed baseball and soccer fields that can be used for athletic games and practices.
- C. The County licenses use of the athletic fields.
- D. The Licensee desires to enter into a long-term license agreement with the County for use of the baseball and soccer fields.
- E. The County has determined that entering into a long-term license agreement with the Licensee whereby the Licensee will perform on-going maintenance of the baseball and soccer fields will serve the public interest by addressing a regional recreational need without encumbering new tax funded operations and maintenance costs.

AGREEMENT

NOW THEREFORE, for and in consideration of the mutual promises and benefits described below, the parties agree as follows:

1. GRANT OF LICENSE.

1.1 License. The County hereby grants the Licensee a nonexclusive license to use the baseball and soccer fields (the "athletic fields") located at Lake Stevens Community County Park (the "Park"), for the sole purpose of holding practices and games.

The Licensee may also sell advertising space as discussed more fully below and operate a portable concession stand, subject to County review and approval of the same, for the sole purpose of fund raising for maintenance costs associated with this agreement. The concession stand shall operate only during Licensee's scheduled events, and shall be relocated or removed upon County request.

The Licensee may sell advertising space on the fence surrounding the baseball fields pursuant to the following requirements:

- a. No sign shall be illuminated or neon;
- b. The County shall not be responsible for advertisement production;
- c. The sign construction, materials, layout, content, and colors shall be approved by the Agreement Manager prior to posting;
- d. The County may require the Licensee to either remove and replace or refurbish any advertising signs at its sole discretion;
- e. Advertising Limitations:
 1. Advertising is limited to commercial messages only;
 2. The following industries and products are not eligible for advertising: regulated adult businesses, religious and political organizations, or companies whose business is substantially derived from the sale of alcohol, tobacco, or pornography;

The Licensee may charge a "special event" parking fee for the sole purpose of fund raising for maintenance costs associated with this agreement. All "Special Events" must be mutually agreed upon by separate written agreement of the parties.

The Licensee's authority to use the premises shall not be considered exclusive possession or control. The County may continue to use the property for its own purposes and at all times shall be considered the owner and occupier of the premises. County may enter the premises at any time to determine whether the Licensee's use is improper or hazardous.

This license is personal to the Licensee and grants no interest in the real property. This license is intended to allow the Licensee limited use of the property only to the extent expressly authorized herein and no other use is permitted or allowed.

The Licensee and County agree that this License is not intended to create any benefit for or in any third party, nor is it intended to create any right of action in any third party.

1.2 License Term. The license shall become effective when mutually executed and shall continue until December 31, 2014, unless terminated earlier as provided herein. The County may extend this Agreement for one additional five (5) year term by providing written notice to the Licensee not less than one hundred and eighty (180) days prior to the end of the initial five (5) year term.

1.3 Property and Athletic Fields. The Property, including the athletic fields, are located at Lake Stevens Community County Park, 16th Street N.E., Machias Road, Snohomish, WA. The athletic fields are depicted in Attachment A, attached hereto and incorporated herein by this reference.

2. LICENSEE'S RESPONSIBILITIES.

2.1 Improvements.

2.1.1 The Licensee may not make additions, changes, alterations, or improvements to the Property, or to any electrical, mechanical, or other systems or facilities located in or otherwise serving the Property (collectively, the "Alterations") without first obtaining the prior written consent of the County. The Licensee shall provide the County with detailed plans and specifications detailing any proposed Alteration(s). Should the County consent to any proposed Alteration(s), such consent shall not be deemed a representation or warranty as to the adequacy of the architectural design or plans for such Alteration(s), and the County hereby expressly disclaims any responsibility or liability for same.

2.1.2 All Alterations shall be performed: (a) at the Licensee's sole cost and expense unless otherwise agreed to by the parties; (b) in a good and workmanlike manner, with all materials used being of a quality at least as good as those already in use at the athletic fields; (c) in accordance with plans and specifications approved by the County pursuant to Section 2.1.1; and (d) in compliance with all applicable laws, including but not limited to those related to prevailing wages (see Chapter 39.12 RCW), retainage (see Chapter 60.28 RCW), bonding (see Chapter 39.08 RCW), use of licensed contractors (see Chapter 39.06 RCW), and competitive bidding (see Chapter 36.32 RCW and Chapter 35.21.278 RCW), and all codes and regulations. In addition, the County may require that any or all Alterations be performed under the County's supervision; provided that any such supervision by the County shall not be deemed a representation or warranty as to the adequacy of the design, workmanship, quality of materials, or construction of the Alterations at issue, and the County hereby expressly disclaims any responsibility or liability for the same.

2.1.3 The Licensee shall bear the sole liability for any damage or injury occurring in, on, around, upon, or to the athletic fields due to the acts or omissions of the Licensee, its agents, employees, contractors, licensees, invitees, and/or any other persons who may be in, on, around, or upon the athletic fields with the express or implied consent of the Licensee in connection with the performance of Alterations, and the Licensee shall indemnify and hold the County harmless from and against the same.

2.1.4 Upon the expiration or earlier termination of this Agreement, all fixed Alterations shall remain in and be surrendered with the athletic fields as a part thereof, unless, with respect to any Alteration, the County specifies in its consent to the construction of such Alteration that such Alteration must be removed prior to surrender, in which case the Licensee shall, prior to surrender, remove the Alteration in question and repair any damage to the athletic fields caused by such removal.

2.1.5 The Licensee shall keep the athletic fields free from any liens arising out of work performed for, materials furnished to, or obligations incurred by, or on behalf of, the Licensee. Any construction liens filed against the athletic fields or Lake Stevens Community County Park for work claimed to have been furnished to the Licensee will be discharged by the Licensee, by bond or otherwise, within ten (10) days after the filing of the claim or lien, at the Licensee's sole cost and expense. Should the Licensee fail to discharge any such construction lien, the County may, at its election, pay that claim or post a bond or otherwise provide security to eliminate the lien as a claim against title, and the cost to the County shall be immediately due

and payable by the Licensee. The Licensee shall indemnify and hold the County harmless from and against any liability arising from any such lien.

2.2 Scheduling.

2.2.1 The Licensee shall provide the Agreement Manager or the Parks Day-to-Day Liaison with its anticipated scheduling needs in writing for the calendar year by January 1st for the baseball fields, and March 1st for the soccer fields, of each subsequent year of this Agreement.

2.2.2 The Licensee shall coordinate the use of the athletic fields which have been licensed to the Licensee pursuant to the terms of this Agreement. The Licensee is not permitted to set or collect fees for use of the athletic fields. The County reserves the sole authority to assess and collect fees, and the authority to operate, license, and authorize any and all uses of Lake Stevens Community County Park and the athletic fields that are not in conflict with this Agreement.

2.3 Maintenance.

2.3.1 The Licensee shall maintain, at its own costs, the athletic fields, including, but not limited to, dragging and lining the fields, seeding, mowing, and fertilizing according to current national standards of care in order to maintain the athletic fields in a safe operating condition. The County will be responsible for costs and work related to soil preparation, top dressing, and watering of the athletic fields. Licensee is subject to the same restrictions that apply to the County when applying fertilizer, pesticides, and/or herbicides, including prohibition against use of any 2-4-D derivatives. Any questions regarding the restrictions should be directed to the Parks Day-to-Day Liaison. Licensee shall ensure that its use of fertilizer, pesticides, fungicides, rodenticides, or herbicides is consistent with all label requirements and any other applicable local, state, or federal laws or regulations. Licensee will follow the Snohomish County Parks Turf Maintenance Standards, attached hereto as Attachment B and incorporated herein by this reference. In response to the Right to Know Act, current MSDS information sheets will be available and kept up-to-date in the restroom, chase area, or the parking lot that serves the athletic fields.

2.3.2 The Licensee shall maintain, at its own cost, the Property, including, but not limited to, regularly picking up and disposing of all litter and garbage, cleaning the restrooms and sports court areas, maintaining the landscaping and removing any and all graffiti. The Licensee shall also provide a garbage dumpster on the Property.

2.3.3 The Licensee shall keep the athletic fields and all grass areas in the Park and Property in a neat and safe condition, and create no fire, health, or safety hazard on the athletic fields or within the Property.

2.3.4 The Licensee shall provide a projected schedule of maintenance activities to the Parks Day-to-Day liaison by the tenth (10th) day of each subsequent quarter of the Agreement.

2.4 Irrigation System. After the first year of this agreement, the Licensee shall be responsible for maintenance of, and all necessary repairs to, the Property's irrigation system.

2.5 Field Lighting. The Licensee shall pay the County for all field lighting provided pursuant to this agreement. During the first year of this agreement, Licensee shall pay the County Ten Dollars (\$10.00) per hour, per lighted field. After the first year, Licensee shall pay the County pursuant to the then current year's rate schedule established by the County's Department of Parks and Recreation.

2.6 General.

2.6.1 The Licensee shall provide the Contract Manager quarterly reports detailing all maintenance or improvements performed under the terms of this Agreement, including the amount of hours worked, amount of improvement costs, and an income statement for concession stand operations.

2.6.2 The Licensee shall observe and obey all applicable state and county laws, rules, and regulations, and amendments thereto in performance of this Agreement.

2.6.3 The Licensee shall obtain and maintain all permits and licenses required by law for on-going operations. By executing this document, Snohomish County does not warrant whether any other permits or licenses are necessary.

2.6.4 The Licensee shall obtain and maintain insurance as set out in Section 5.1.

2.6.5 The Licensee shall remove from the Property, on or before expiration of this Agreement, all of its personal property. If such property is not removed in a timely fashion, the County shall have the right to remove, store, sell, or otherwise dispose of it at Licensee's expense. The Licensee assumes all risk of loss or damage, by theft or otherwise, to the property incurred during or as a result of any removal, storage, sale, or other disposition by the County.

2.6.6 The Licensee shall comply with all rules and regulations of the County relating to the use of, and conduct in, Lake Stevens Community County Park and require that its agents, employees, volunteers, invitees, or participants, comply with all rules and regulations of the County relating to the use of, and conduct in, Lake Stevens Community County Park.

2.6.7 The Licensee shall instruct all users to park on-site, unless written permission is obtained from other property owners.

Snohomish County Parks Turf Maintenance Standards

Scope of Standards

Snohomish County Parks is dedicated to providing the best recreational experience possible and has developed the following practices and standards for grass fields. These standards are to serve as guidelines and may be modified as needed to meet site conditions after consultation and approval from the Snohomish County Department of Parks and Recreation. It is the intention of these specifications to provide for the protection of public resources and to ensure the best maintenance practices are followed to allow for safe and enjoyable recreation experiences by the public and organized user groups. Safety of the players is crucial and is based on providing fields with an even surface that allows the player to run and play safely.

1. Edging and Trimming

- 1.1. Edging of tree rings, plant beds, buildings, sidewalks, fences, driveways, parking lots, and other surfaced areas bordered by grass shall be done as needed to maintain a clean, well-kept appearance.
- 1.2. Edging will be done during every mowing visit during the growing season. Isolated trees and shrubs growing in lawn areas will require mulched areas around them (minimum 2-foot diameter) to avoid bark injury from mowers and line trimmers.
- 1.3. Contractor will clean all clippings from sidewalks, curbs, and roadways and dispose of properly.

2. Structural Condition, Drainage and Mounds

- 2.1. Surface conditions shall be maintained to feel firm enough for foot and mower traffic.
- 2.2. All turf areas will be inspected for mounds, holes and uneven surface conditions as needed. Filling of areas will be done with clean top soil that is free of debris and rocks. Shovel and/or rake soil into low areas and remove from high areas. Watering, grading, packing and top seeding may be required to maintain playable firm level surface.
- 2.3. Wet or soft areas shall be investigated for subsurface or drainage issues and repairs or improvements will be paid by the contractor and coordinated with Snohomish County staff.
- 2.4. Repair mounds and worn areas as needed to maintain playability and safety.
- 2.5. Maintain base anchors, pitching rubbers and plates as needed to maintain playability and safety. Pitching rubber and plates must be installed level.

3. Warning track and infield

- 3.1. Infield shall be dragged daily and checked for soil condition and drainage. Drag the field to loosen dirt, remove cleat marks and help remove access water.
- 3.2. Contractor shall apply wetting agents only after sweeping excess water off of the field and exhausting efforts to allow sun and wind to improve conditions.
- 3.3. Broom infield lips to remove access dirt.
- 3.4. Keep infields free of weeds when not in use.
- 3.5. Deep rototill the infields twice a year to the depth of the infield mix to improve soil consistency and provide uniform playability.

4. Turf Maintenance

- 4.1. Mowing
 - 4.1.1. Mowing shall occur two (2) times a week or as needed to maintain a height of 2" for athletic field areas. Grass clippings will be bagged, hauled off site and disposed of properly.
 - 4.1.2. The Contractor will remove any excessive lawn growth including leaves, limbs and debris. All excessive grass, leaves are to be picked up and disposed of properly. Lawns shall be mowed in different directions on alternate weeks to inhibit matting.
- 4.2. Thatch Removal
 - 4.2.1. Removal of thatch exceeding one inch (1") for the overall health of the lawn. The best time for thatch removal is March through August when the turf grass is rapidly growing.
- 4.3. Aeration
 - 4.3.1 Aeration to allow for better water absorption shall occur two (2) times a year for the turf areas. Aeration shall be combined with a top-dressing and reseeding as needed to maintain at a minimum 95% turf coverage.
- 4.4. Fertilization and moss control
 - 4.4.1 Fertilization of lawns shall be based on soil testing to determine nutrient deficiencies. Fertilization shall occur once a month or as needed to provide color and proper plant health.
 - 4.4.2 Treatment for moss or weeds shall be done in all turf areas as needed using the most effective treatment available and as approved by Snohomish County Parks.
 - 4.4.3 Fertilizer, moss and weed control products will be swept off of walks and drives onto lawns or beds.
 - 4.4.4 A minimum of ¼ inch of water will be applied after each treatment within 24 hours.

4.5 Lawn insect and disease Control:

- 4.5.1 Inspect lawn areas each visit for indications of insect, disease and pest problems and advise Snohomish County Parks of any conditions requiring treatment. Only licensed applicators will apply the appropriate treatment on an as needed basis and only in affected spots, using the most effective treatment available.
- 4.5.2 The site shall be signed two (2) days in advance of any chemical applications.

5. Irrigation Systems

- 5.1. The irrigation system shall be inspected and tested monthly for proper coverage and precipitation rate to provide for healthy turf conditions including minor adjustments and repairs such as head/emitter cleaning or replacement and filter cleaning.
- 5.2. Heads, quick couplers and all pipes shall be inspected for leaks and repairs following best practices in the industry.
- 5.3. Adjustments to schedules of the Maxicom watering system shall be coordinated with Snohomish County Parks.

1. BLANKET ADDITIONAL INSURED (Owners, Lessees, Contractors or Lessors)
 (Includes a Primary/Non-Contributory provision)

Who Is An Insured - Section II is amended to include as an insured any person or organization whom you are required to name as an additional insured on this policy in a written contract or written agreement. The written contract or written agreement must be currently in effect or becoming effective during the term of this policy and executed prior to the "bodily injury," "property damage" or "personal and advertising injury."

The Insurance provided the additional insured is limited as follows:

A. The person or organization is only an additional insured with respect to liability:

1. Arising out of real property, as described in a written contract or written agreement, that you own, rent, lease or occupy; or
2. Caused in whole or in part by your ongoing operations performed for that insured.

The Insurance provided the additional insured in 1.A.2. above does not apply to:

- a. **Coverage A - Bodily Injury and Property Damage Liability, Coverage B - Personal and Advertising Injury Liability** or defense coverage under the **Supplementary Payments** arising out of an architect's, engineer's or surveyor's rendering of or failure to render any professional services including:
 - (1) The preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities.
- b. "Bodily injury" or "property damage" occurring after:
 - (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) were performed by or on behalf of the additional insured(s) at the site where the covered operations have been completed; or
 - (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as part of the same project.

B. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in **Section III - Limits Of Insurance of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.**

C. The insurance provided the additional insured does not apply to the liability resulting from the sole negligence of the additional insured.

- D. As respects the coverage provided to the additional insured under this endorsement, **Section IV- Conditions** is amended as follows:

1. The following is added to **Condition 2. Duties In The Event Of Occurrence, Offense, Claim, or Suit:**

An additional insured under this endorsement will as soon as practicable:

- a. Give written notice of an "occurrence" or an offense, that may result in a claim or "suit" under this insurance to us;
- b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and
- c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

2. The following is added to **Condition 3. Legal Action Against Us:**

We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a claim or "suit" from the additional insured.

3. The following is added to Paragraph a., **Primary Insurance of Condition 4. Other Insurance:**

If the additional insured's policy has an Other Insurance provision making its policy excess, and a Named Insured has agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

4. The following is added to Paragraph b., **Excess Insurance of Condition 4. Other Insurance:**

Except as provided in Paragraph 4.a. Primary Insurance as amended above, any coverage provided hereunder shall be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis. In the event an additional insured has other coverage available for an "occurrence" by virtue of also being an additional insured on other policies, this insurance is excess over those other policies.

2. FIRE, LIGHTNING, EXPLOSION AND SPRINKLER LEAKAGE DAMAGE TO PREMISES YOU RENT

If **Damage To Premises Rented To You** under Coverage A is not otherwise excluded from this policy, the following applies:

- A. The last paragraph of 2. **Exclusions of Section I - Coverage A** is replaced by the following:

If **Damage To Premises Rented To You** is not otherwise excluded, **Exclusions c. through n.** do not apply to damage by fire, lightning, "explosion" or sprinkler leakage to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in **Section III - Limits Of Insurance.**

B. Paragraph 6. of Section III - Limits Of Insurance is replaced by the following:

6. Subject to 5. above, the **Damage To Premises Rented To You Limit** shown in the Summary of Limits and Charges section of this policy is the most we will pay under **Coverage A** for damages because of "property damage" to premises rented to you or temporarily occupied by you with the permission of the owner arising out of any one fire, lightning, "explosion" or sprinkler leakage incident.

C. Paragraph b.(1)(b) of Condition 4, Other Insurance (Section IV - Conditions) is replaced by the following:

- (1) That is Fire, Lightning, Explosion or Sprinkler Leakage insurance for premises rented to you or temporarily occupied by you with the permission of the owner;

D. Paragraph 9.a. of the definition of "insured contract" in Section V- Definitions is replaced by the following:

9. "Insured contract" means:

- a. A contract for the lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damages by fire, lightning, "explosion" or sprinkler leakage to premises while rented to you or temporarily occupied by you with the permission of the owner is not an "insured contract";

E. The following definition is added to Section V - Definitions:

"Explosion" means a sudden release of expanding pressure accompanied by a noise, a bursting forth of material and evidence of the scattering of debris to locations further than would have resulted by gravity alone.

"Explosion" does not include any of the following:

1. Artificially generated electrical current including electrical arcing that disturbs electrical devices, appliances or wires;
2. Rupture or bursting of water pipes;
3. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control; or
4. Rupture or bursting caused by centrifugal force.

3. NON-OWNED WATERCRAFT

Subparagraph g.(2) of Paragraph 2., Exclusions of Section I - Coverage A is replaced by the following:

- (2) A watercraft you do not own that is:
- (a) Less than 51 feet long; and
 - (b) Not being used to carry persons or property for a charge;

4. SUPPLEMENTARY PAYMENTS

In the **Supplementary Payments - Coverages A and B** provision:

The limit for the cost of bail bonds in Paragraph 1.b. is changed from \$250 to \$1000.

Paragraphs 14.b., d. and o. of Section V - Definitions are replaced by the following:

- b. Malicious prosecution or abuse of process;
- d. Oral, written, televised, videotaped or electronic publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services;
- o. Oral, written, televised, videotaped or electronic publication of material that violates a person's right of privacy;

The following is added to Paragraph 14. "Personal and Advertising Injury" of Section V - Definitions:

- h. Discrimination or humiliation that results in injury to the feelings or reputation of a natural person, but only if such discrimination or humiliation is:
 - (1) Not done intentionally by or at the direction of:
 - (a) An insured; or
 - (b) Any "executive officer" director, stockholder, partner or member of the insured; and
 - (2) Not directly or indirectly related to the employment, prospective employment or termination of employment of any person or persons by any insured.

Subparagraphs b. and c. of 2., Exclusions of Section I - Coverage B - Personal And Advertising Injury Liability are replaced by the following:

b. Material Published With Knowledge Of Falsity

"Personal and advertising injury" arising out of oral, written, televised, videotaped or electronic publication of material, if done by or at the direction of the insured with knowledge of its falsity;

c. Material Published Prior To Policy Period

"Personal and advertising injury" arising out of oral, written, televised, videotaped or electronic publication of material whose first publication took place before the beginning of the policy period;

6. AGGREGATE LIMITS OF INSURANCE (PER LOCATION)

The General Aggregate Limit under Section III Limits Of Insurance applies separately to each of your "locations" owned by or rented to you or temporarily occupied by you with the permission of the owner.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

7. AGGREGATE LIMITS OF INSURANCE (PER PROJECT)

The General Aggregate Limit under Section III Limits Of Insurance applies separately to each of your projects away from premises owned by or rented to you.

8. VOLUNTARY PROPERTY DAMAGE COVERAGE

At your request, we will pay for "loss" to property of others caused by your business operations. The most we will pay for this coverage is \$500 each "occurrence." The "loss" must occur during the policy period. The "occurrence" must take place in the "coverage territory".

"Loss" means unintended damage or destruction. "Loss" does not mean disappearance, abstraction or theft.

This coverage does not apply to:

1. Damage arising out of the use of any "auto";
2. Property you own, occupy, rent or lease from others; or
3. Property on your premises for sale, service, repair or storage.

None of the other policy exclusions apply to this coverage.

If the policy to which this endorsement is attached is written with a property damage liability deductible, the deductible shall apply to Voluntary Property Damage. The limit of coverage stated above shall not be reduced by the amount of this deductible.

9. OFF PREMISES CARE, CUSTODY OR CONTROL COVERAGE

- A. We will pay those sums that you become legally obligated to pay as damages because of "property damage" to personal property of others while in your or your "employees" care, custody or control or real property of others over which you or your "employees" are exercising physical control if the "property damage" arises out of your business operations. This Coverage is subject to sections B., C., D. and E. below.

B. Exclusions

This insurance shall not apply to:

1. "Property damage" of property at premises owned, rented, leased, operated or used by you;
2. "Property damage" of property while in transit;
3. The cost of repairing or replacing:
 - (a) Any of your work defectively or incorrectly done by you or by others on your behalf; or
 - (b) Any product manufactured, sold or supplied by you, unless the "property damage" is caused directly by you after delivery of the product or completion of the work and resulting from a subsequent undertaking; or
4. "Property damage" of property caused by or arising out of the "products-completed operations hazard".

- C. **Limits Of Insurance** - The most we will pay for "property damage" under this Section 9. is \$25,000 for each "occurrence". The most we will pay for the sum of all damages covered under this Section 9. because of "property damage" is an annual aggregate limit of \$25,000.

The **Limits Of Insurance** provided under this Section 9. are inclusive of and not in addition to any other limits provided in the policy or endorsements attached to it.

- D. **Deductible** - We will not pay for "property damage" in any one "occurrence" until the amount of "property damage" exceeds \$250. If the policy to which this endorsement is attached contains a "property damage" deductible, that deductible shall apply if it is greater than \$250.
- E. In the event of "property damage" covered by this endorsement, you shall, if requested by us, replace the property or furnish the labor and materials necessary for repairs thereto at your actual cost, excluding profit or overhead charges.

10. NEWLY FORMED OR ACQUIRED ORGANIZATIONS

A. Paragraph 4. of Section II - Who Is An Insured is deleted and replaced by the following:

4. Any business entity acquired by you or incorporated or organized by you under the laws of any individual state of the United States of America over which you maintain majority ownership interest exceeding fifty percent. Such acquired or newly formed organization will qualify as a Named Insured if there is no similar insurance available to that entity. However:
 - a. Coverage under this provision applies only until the expiration of the policy period in which the entity was acquired or incorporated or organized by you.
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before the entity was acquired or incorporated or organized by you.
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before the entity was acquired or incorporated or organized by you.
 - d. Records and descriptions of operations must be maintained by the first Named Insured.

B. This Section 10. does not apply to newly formed or acquired organizations if coverage is excluded either by provisions of the Coverage Part or by other endorsement(s) attached to it.

11. DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

A. The requirements in Section IV - Conditions, Paragraph 2.a., that you must see to it that we are notified of an "occurrence" applies only when the "occurrence" is known to:

1. You, if you are an individual;
2. A partner, if you are a partnership;
3. A member or manager, if you are a limited liability company;
4. An executive officer or designee, if you are a corporation;
5. A trustee, if you are a trust; or
6. A designee, if you are any other type of organization.

B. The requirements in Section IV - Conditions Paragraph 2.b. that you must see to it that we receive written notice of a claim or "suit" will not be considered breached unless the breach occurs after such claim or "suit" is known to:

1. You, if you are an individual;
2. A partner, if you are a partnership;
3. A member or manager if you are a limited liability company;
4. An executive officer or designee, if you are a corporation;
5. A trustee, if you are a trust; or
6. A designee, if you are any other type of organization.

Knowledge of an "occurrence," claim or "suit" by the agent, servant or "employee" of any insured shall not in itself constitute knowledge of the insured unless an officer or designee shall have received notice from its agent, servant or "employee".

12. BODILY INJURY

Paragraph 3. of the definition of "bodily injury" in the Section V - Definitions is replaced by the following:

3. "Bodily Injury" means bodily injury, sickness or disease sustained by a person, including mental anguish or death resulting from any of these at any time.

13. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against any person or organization for whom you perform work under a written contract that requires you to obtain this agreement from us.

This agreement shall not operate directly or indirectly to benefit anyone not named in the agreement.

14. MEDICAL PAYMENTS

If Coverage C Medical Payments is not otherwise excluded, the Medical Expense Limit provided by this policy shall be the greater of:

- A. \$10,000; or
- B. The amount shown in the Declarations.

15. CONTRACTORS AMENDMENT OF POLLUTION EXCLUSION (JOB SITES)

The following is added to Subparagraph f.(1)(d) of Paragraph 2., Exclusion f. of Section I:

- (iv) "Bodily injury" or "property damage" to tangible property sustained outside a building and caused by the release of "pollutants" brought to any premises, site or location in connection with operations being performed by you or on your behalf by a contractor or subcontractor.

As used in this endorsement, the release of "pollutants":

- (aa) Begins on a clearly identifiable specific day during the policy period and ends in its entirety not later than seventy-two (72) hours thereafter;
- (bb) Is discovered and reported to us within fifteen (15) days of the specific day it begins;
- (cc) Is neither expected nor intended from the standpoint of any insured;
- (dd) Is unrelated to any previous discharge, dispersal, seepage, migration, release or escape; and
- (ee) Does not originate at or from a storage tank or other container, duct or piping which is below the surface of the ground or water or which at any time has been buried under the surface of the ground or water and then is subsequently exposed by erosion, excavation or any other means.

As used in this endorsement, tangible property does not include water or land, which is below ground level or not.

Coverage provided hereunder does not apply to any discharge, dispersal, seepage, migration, release or escape that is merely threatened or alleged rather than shown to have actually occurred.

All other terms and conditions of your policy remain unchanged.

Subject: Repurpose Existing Position in Public Works

Contact Teri Smith/Human Resources
Person/Department: _____ **Budget** \$20,000

RECOMMENDATION(S)/ACTION REQUESTED OF COUNCIL: Authorize repurposing of existing Senior Engineer position to a City Engineer position.

SUMMARY/BACKGROUND:

The Public Works department is currently without a City Engineer (an engineer with a Professional Engineer license). The most recent City Engineer left last May. We conducted a recruitment for a City Engineer last spring and were not successful in finding a candidate. Given the size and growth of the city, we find that it is no longer prudent to operate without a licensed professional engineer on staff.

In assessing the classification, a review of comparable positions within our comparable cities list has shown a higher salary range (about 20%) than the existing budgeted senior engineer position. A budget amendment if needed will be brought forward at a future date.

APPLICABLE CITY POLICIES:

BUDGET IMPACT: Approximately \$20,000 for 2018, assuming a City Engineer starting in July.
