CURRENT CITY PROJECTS

North Cove Park—Phase II and III

The playground and picnic shelter are moving closer and closer to completion. Phase III is currently in development, which includes the construction of Mill Spur, requiring the relocation of the Lake Stevens Historical Museum, the Grimm House and the Lake Stevens Library.

The museum's contents are now in their temporary residence at the 'old fire station' until the new facility is built.

The library is providing limited services out of Lundeen Park during renovations to their temporary building at 2211 Grade Road. Services at Lundeen Park are Monday through Saturday from 10 a.m. to 6 p.m.

Decant Facility

The City celebrated the opening of the new decant facility the last week of April. The facility protects the environment by processing and disposing of pollutants from sewers, stormwater drains, and other utility projects. It also saves utility ratepayers money and reduces the City's overall carbon footprint.

Planning and Community Development

The City has received 341 building permit submittals to date since January 1, 2021. We approved and issued the tenant improvement and sign permit for Benjamin Moore Landon Paint store in Frontier Village. This store occupies the last available space and brings it to 100% occupancy for Frontier Village.

The Park 20 Apartments had the final inspection for Building 3 and another 20 units. They are also prepping and paving additional parking areas behind Buildings 3 and 5.

20th Street Ballfields

During the June 14 Parks Board Meeting, starting at 6:00 pm, there will be a remote open house to receive input on the 20th Street ballfields, dog park and trailhead design. Visit <https://www.lakestevenswa.gov/174/Park-Recreation-Planning-Board> prior to meeting for the agenda that will include the meeting's Zoom link.

IN THE WORKS

Lake Stevens Farmers' Market 2021

The 2021 Lake Stevens Farmers Market returns to North Cove Park, Wednesdays 3 - 7 pm June 2 - September 29. We ask for the community's continued patience and understanding as we follow COVID guidances and mandates; our number one goal is to safely support our community and local industry.

There may be times during the market season that require shopper occupancy for the indoor portion of The Mill. Our amazing young ladies of the Aquafest royal court and their support team will once again be on hand to support occupancy compliance needs. Please visit the City's post for more details on how the City and Market Manager Sarah Dylan Jensen are making sure to keep our community safe during market season. <https://www.lakestevenswa.gov/CivicAlerts.aspx?AID=458>

FOR YOUR INFORMATION...

Classes Around the City:

- Spend some time on Lake Stevens with stand up paddling, an easy way to enjoy nature up close and personal. Hydrology Stand Up Paddle is offering lessons at Lundeen Park. Head to the City's Facebook page for more info: <https://www.facebook.com/LakeStevensGov/posts/3793860977379109>
- On Sundays from 12:00 PM - 1:00 PM, GEM Fitness is offering a FREE Tai Chi class at The Mill's outdoor plaza, facing North Cove Park. The class will move to its new home at the North Cove Park picnic shelter behind City Hall once the shelter is completed.

Cascade Award Nominations

The 4th annual Cascade Award nominations are open! The Cascade Award honors those who have a beautiful, sustainable, lake-friendly garden or landscape. If you're proud of your own lake-friendly yard or know someone who is, please submit their names for the 2021 Cascade Award; nomination deadline is July 6. <https://www.snohomishcd.org/city-of-lake-stevens>

Memorial Day Service

The Lake Stevens American Legion Post 181 is hosting a Memorial Day service at the Lake Stevens War Veterans Memorial at North Cove Park at 10:00 am Monday, May 31. At 12:00 pm, there will be a memorial service honoring all the veterans that are interred at the Machias Cemetery in Snohomish. If you have any questions, please contact Vern Rasmussen 424-343-9637.
