COMMUNITY HAPPENINGS

Lake Stevens Farmers Market

The Lake Stevens Farmers Market opened for the summer season on June 7 and runs every Wednesday from 3 pm to 7 pm at North Cove Park through August 30.

To support Aquafest, there is no market on July 26.

Volunteer at a park this summer

Visit the city's Volunteer Opportunities page for more information about Volunteer Days at Lake Stevens Parks. Volunteers must complete a volunteer waiver prior to or at the event.

<https://lakestevenswa.gov/volunteer>

Upcoming volunteer opportunities:

- Beautification Day - July 15, 1 - 3 pm, North Cove Park
- Restoration Day - September 16, 9 am - 12 pm, Davies Beach
- Beautification Day - September 17, 9 am - 12 pm, Catherine Creek Park

Other upcoming events:

- Aquafest 2023 - July 28 - 30
- Theater in the Park - Eagle Ridge Park, Sundays, August 13 and 27, 4 pm
- City Hall closures - Tuesday, July 4 and Monday, September 4
- Meet Up with the Mayor - July 13, 7:30 - 9:30 am & July 26, 12 - 2:00 pm, at the Starbucks (next to MOD Pizza) at Frontier Village

Overdose Prevention Community Resources

Thank you to all who attended the Overdose & Prevention Town Hall on June 8. The goal is to make this a biannual event. The city and school district are planning to host another town hall this fall. For more information on overdose prevention and local community resources available, visit the city's Overdose Awareness page. <https://lakestevenswa.gov/611/overdose-awareness>

WASA award recognizes city partnership with school district

The Washington Association of School Administrators held its annual awards program on April 27. The Lake Stevens School District honored two students, an employee, and the City of Lake Stevens

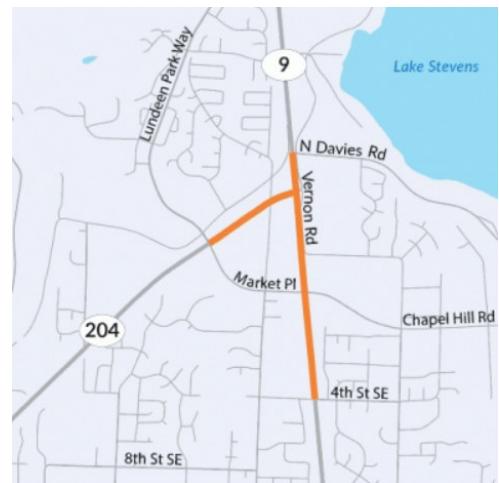

Public Works Department. Lake Stevens School District wrote the following about the Public Works Department:

"The City of Lake Stevens Public Works Department is a district partner in community safety and growth management. The district and public works created an equipment-sharing agreement that benefits both entities while saving costs. Public Works recently completed several projects to improve traffic flow around schools in our growing community and are working to match student walk paths with potential sidewalk projects. We appreciate the partnership with the city and public works."

WSDOT SR 9 and SR 204 Roundabout Final Stage

WSDOT has been in the process of improving the intersections of SR 9 and SR 204 by adding four roundabouts and widening SR 9 to two lanes in each direction. These improvements will help manage congestion and improve mobility, provide better access to area businesses, and provide more travel options with improved connections for pedestrians, bicyclists, transit users, and drivers. The final stage of construction for this project is now underway. For more information, check out the WSDOT SR 9 - SR 204 Intersection Improvements page on their website. <http://wsdot.wa.gov/construction-planning/search-projects/sr-9-sr-204-intersection-improvements>

City Council

City Council Regular Meetings at 6 P.M.

July 11 | No meetings in August | September 12 and 26
